Greenfield bulk drug park projects and greenfield manufacturing plant

1304 # Smt. Sunetra Ajit Pawar:

Will the Minister of **Chemicals and Fertilizers** be pleased to state:

- (a) the details of the greenfield bulk drug park projects and greenfield manufacturing plants established for the manufacturing of medical devices under the PLI scheme, State-wise, particularly in Maharashtra;
- (b) the number of projects and plants approved under the scheme for manufacturing of medical devices and drugs since the inception of the PLI scheme;
- (c) the number of projects and plants that are pending for approval with Government; and
- (d) by when the said projects would be approved?

ANSWER

THE MINISTER OF STATE IN THE MINISTRY OF CHEMICALS AND FERTILIZERS

(SMT. ANUPRIYA PATEL)

(a): Projects for establishing Greenfield bulk drug parks and production-linked incentive (PLI) for establishing Greenfield manufacturing projects for medical devices have been approved under the following schemes implemented by the Department of Pharmaceuticals:

- (i) Scheme for Promotion of Bulk Drug Parks; and
- (ii) Production Linked Incentive (PLI) Scheme for Promoting Domestic Manufacturing of Medical Devices (“PLI scheme for medical devices”).

Greenfield bulk drug parks projects have been approved in the Bharuch district of Gujarat, Nakkapalli district of Andhra Pradesh and Una district of Himachal Pradesh, under the Scheme for Promotion for Bulk Drug Parks, and are at various stages of implementation.

Details of Greenfield manufacturing projects for medical devices that have been completed under the PLI scheme for medical devices, including the State or Union territory in which they are located, are at Annex I.

(b): Projects for manufacturing of medical devices and drugs have been approved under the following schemes of the Department of Pharmaceuticals:

- (i) PLI scheme for medical devices;

- (ii) PLI Scheme for Promotion of Domestic Manufacturing of critical Key Starting Materials (KSMs) / Drug Intermediates (DIs) and Active Pharmaceutical Ingredients (APIs) in India (“PLI scheme for bulk drugs”); and
- (iii) PLI scheme for Pharmaceuticals.

The number of projects approved under these PLI scheme, and the number of plants under the approved projects, are at Annex II.

(c) and (d): No applications under the aforesaid schemes are pending with the Department of Pharmaceuticals for approval.

Details of Greenfield manufacturing projects for medical devices that have been completed under the PLI scheme for medical devices, including the State or Union territory in which they are located

S. No.	Greenfield manufacturing projects for medical devices that have been completed under the PLI scheme for medical devices	State or Union territory in which the project is located
1	Manufacturing of computerised tomography (CT) scanner	Andhra Pradesh
2	Manufacturing of stents and percutaneous transluminal coronary angioplasty balloon catheter	Gujarat
3	Manufacturing of stents	Gujarat
4	Manufacturing of hip, knee and trauma implants	Gujarat
5	Manufacturing of heart valves, stents and percutaneous transluminal coronary angioplasty balloon catheter	Gujarat
6	Manufacturing of blood line, dialysis machine, dialyser, fistula, peritoneal dialysis kits, haemodialysis catheter and transducer protector	Haryana
7	Manufacturing of oxygen concentrators	Haryana
8	Manufacturing of oxygen concentrators	Himachal Pradesh
9	Manufacturing of fixed line frequency and high frequency X-ray machine, surgical X-ray C-arm and X-ray panels	Karnataka
10	Manufacturing of ECG, stress test system, defibrillators, automated external defibrillator and patient monitors	Karnataka
11	Manufacturing of MRI and CT scanners	Karnataka
12	Manufacturing of cath lab, ultrasonography and CT scanner	Karnataka
13	Manufacturing of linear accelerator and rotational cobalt machine	Karnataka
14	Manufacturing of dialyser	Maharashtra
15	Manufacturing of surgical X-ray C-arm, mammography, ultrasonography and X-ray equipment	Maharashtra
16	Manufacturing of MRI coils (16 channel analog, OEM non-Sentinelle, OEM Sentinelle, digital and 1/7/8 channel analog)	Maharashtra
17	Manufacturing of surgical X-ray C-arm, cath lab, mammography, CT scanner and X-ray equipment	Punjab
18	Manufacturing of kits, masks, gas scavengers, vaporisers and workstations for anesthesia, bi-phasic defibrillators, automated external defibrillator, emergency and intensive care ventilators, high-flow oxygen devices, multi-parameter monitor, suction machine, and syringe and volumetric infusion pumps	Rajasthan
19	Manufacturing of stents	Rajasthan

20	Manufacturing of cardiovascular catheter tubing and neurovascular micro-catheter tubing	Telangana
21	Manufacturing of percutaneous transluminal coronary angioplasty balloon dilation catheter, heart occluders, heart valves, bare metal stents and drug eluting stents	Telangana
