**ANSWER**

**THE MINISTER OF STATE IN THE MINISTRY OF CHEMICALS AND FERTILIZERS**

**(SMT. ANUPRIYA PATEL)**

(a) and (b): Under the Pradhan Mantri Bhartiya Janaushadhi Pariyojana scheme, a total of 14,589 Jan Aushadhi Kendras have been opened till 31.12.2024 across the country, of which 199 Kendras are in the State of Telangana. The State- and Union-territory-wise number of Kendras is at **Annexure I**. District-wise number of Kendras opened in Telangana is at **Annexure II**.

(c): For smooth supply and product availability at Jan Aushadhi Kendras, an end-to-end IT-enabled supply chain system has been established. It comprises one central warehouse at Gurugram and four regional warehouses at Bengaluru, Guwahati, Chennai and Surat. Further, 36 distributors have been appointed across the country to strengthen the supply chain system.

Availability of 400 fast-moving products is monitored regularly to ensure their availability. Further, a minimum stocking mandate has been implemented for 200 medicines consisting of the 100 top-selling medicines in the scheme product basket and 100 fast-selling medicines in the market. Under the stocking mandate, the Jan Aushadhi Kendra owners become eligible for claiming incentive on the basis of stocks of the said 200 medicines maintained by them.

(d): The Government launched the scheme to make quality generic medicines available at affordable prices to all. Under the scheme, dedicated outlets known as Jan Aushadhi Kendras are opened across the country to provide medicines at rates that are about 50% to 80% cheaper than those of branded medicines. 2,047 medicines and 300 surgicals, medical consumables and devices are under the scheme product basket, covering all major therapeutic groups, such as

cardiovascular, anti-cancers, anti-diabetic, anti-infectives, anti-allergic and gastro-intestinal medicines and nutraceuticals.

It is estimated that about 10 to 12 lakh consumers buy medicines daily from Jan Aushadhi Kendras. In the last 10 years, sales of medicines worth ₹6,462 crore have been made through Jan Aushadhi Kendras, which has resulted in estimated savings of about ₹30,000 crore to citizens as compared to branded medicines.
