RAJYA SABHA
UNSTARRED QUESTION NO. 2113
ANSWERED ON 19/03/2025

Integration of The TeacherApp with National Teacher Training Program

2113.   Dr. Parmar Jashvantsinh Salamsinh:
Dr. Bhagwat Karad:
Shri Brij Lal:
Shri Madan Rathore:
Shri Baburam Nishad:
Smt. Maya Naroliya:
Shri Sadanand Mhalu Shet Tanavade:

Will the Minister of EDUCATION be pleased to state:
(a) whether Government is considering to integrate The TeacherApp with existing National Teacher Training Programs under the National Education Policy (NEP), 2020;
(b) whether Government collaborate with the State Governments and private organizations to expand the reach of The TeacherApp;
(c) if so, the details thereof; and
(d) whether there is a plan to incorporate regional language support in The TeacherApp to improve accessibility?

ANSWER

MINISTER OF STATE IN THE MINISTRY OF EDUCATION
(Shri Jayant Chaudhary)

(a) to (d): The Ministry of Education has its own portal and app namely DIKSHA portal and DIKSHA app, which is presently used by all the teachers across the country and across all schools including private schools. The Ministry, through National Council of Education, Research and Training (NCERT) has launched a National Mission to improve learning outcomes at the elementary level through an Integrated Teacher Training Programme called NISHTHA - National Initiative for School Heads' and Teachers' Holistic Advancement under Samagra Shiksha. NISHTHA is a capacity building programme for teachers, head teachers, teacher educators and education administrators in the school education

sector. NISHTHA empowers the teachers and school heads with the digital skills that can be further used to enhance digital literacy of students. NISHTHA (Elementary, Secondary, FLN and ECCE) covers various courses in Indian languages. Under this, ICT in teaching-learning including Artificial Intelligence is one of the courses covered. It is to be mentioned that all the NISHTHA integrated Teacher Training Programmes have dedicated course modules on use and integration of technology in school education – teaching learning and assessment.

Teacher training through NISHTHA online has been onboarded on the Digital Infrastructure for Knowledge Sharing (DIKSHA) platform since October, 2020. DIKSHA portal and DIKSHA app is a store house of nearly 7,438 e-books, 3.69 lakh e-content and 21,558 e-courses for students, teachers, teacher educators and parents. The portal has contents including primers in 133 languages including 7 foreign languages. More than 63 Lakh teachers have completed NISHTHA training on DIKSHA portal.
