

GOVERNMENT OF INDIA  
MINISTRY OF ROAD TRANSPORT AND HIGHWAYS  
RAJYA SABHA  
UNSTARRED QUESTION NO- 2140  
ANSWERED ON-19/03/2025

**UNDERPASSES AND OVER BRIDGES ON NATIONAL HIGHWAYS**

2140. SHRI LAHAR SINGH SIROYA:

Will the Minister of ROAD TRANSPORT AND HIGHWAYS be pleased to state:

- (a) the details of the number of passenger underpasses and overbridges constructed on National Highways (NHs) during last five years, State-wise including Karnataka ;
- (b) the details of funds utilized by the National Highways Authority of India for the construction of passenger underpasses and overbridges during last five years, State-wise and year-wise; and
- (c) whether any of the said project is experiencing delay in construction and not progressing as scheduled and if so, the details thereof and reasons therefor?

**ANSWER**

THE MINISTER OF ROAD TRANSPORT AND HIGHWAYS

(SHRI NITIN JAIRAM GADKARI)

(a) and (b) The State/Union Territory (UT)-wise number of vehicular/pedestrians underpasses including flyovers and road over bridges (i.e., bridge built over railway tracks) constructed on National Highways (NHs) including in the Karnataka State, during last five years is annexed. The vehicular/pedestrians underpasses and road over bridges are generally constructed as part of an NH development project involving improvement and upgradation. Hence, funds utilized for construction of vehicular/pedestrians underpasses and road over bridges are not maintained separately.

(c) Some of the NH projects are delayed due to various reasons like delay in land acquisition, forest clearance, wild life clearance, utilities shifting, approval from Railways, delay on the part of contractor/concessionaire including cash flow problem etc. The Government closely monitors the NHs projects. Government has taken several steps including periodic reviews held at various levels to resolve issues and expedite progress of all NH projects.
