RAJYA SABHA
UNSTARRED QUESTION NO. 2184
ANSWERED ON 19.03.2025

SKILL DEVELOPMENT PROGRAM IN KERALA

2184 SHRI ABDUL WAHAB:

Will the Minister of SKILL DEVELOPMENT AND ENTREPRENEURSHIP be pleased to state:

- (a) the details of various skill development program that is ongoing in Kerala;
- (b) the funds allocated to these skill development programs; and
- (c) the impact of the skill development programs in Kerala?

ANSWER

THE MINISTER OF STATE (INDEPENDENT CHARGE) IN THE MINISTRY OF SKILL DEVELOPMENT AND ENTREPRENEURSHIP

(SHRI JAYANT CHAUDHARY)

(a): Under the Government of India's Skill India Mission (SIM) , the Ministry of Skill Development and Entrepreneurship (MSDE) delivers skill, re-skill and up-skill training through an extensive network of skill development centres under various schemes, viz. Pradhan Mantri Kaushal Vikas Yojana (PMKVY), Jan Sikhshan Sansthan (JSS), National Apprenticeship Promotion Scheme (NAPS) and Craftsman Training Scheme (CTS) through Industrial Training Institutes (ITIs), to all the sections of the society across the country including in the State of Kerala. The SIM aims at enabling youth of India to get future ready, equipped with industry relevant skills. The brief of these schemes is as under:

Pradhan Mantri Kaushal Vikas Yojana (PMKVY): PMKVY is for imparting skill development training through Short-Term Training (STT) and up-skilling and re-skilling through Recognition of Prior Learning (RPL) to youth across the country including rural areas.

Jan Shikshan Sansthan (JSS) Scheme: The main target of the JSS is to impart vocational skills to the non-literates, neo-literates and the persons having rudimentary level of education and school dropouts upto 12th standard in the age group of 15-45 years, with due age relaxation in case of "Divyangjan" and other deserving cases. Priority is given to Women, SC, ST, OBC and Minorities in the rural areas and urban low-income areas.

National Apprenticeship Promotion Scheme (NAPS): This Scheme is for promoting apprenticeship training and increasing the engagement of apprentices by providing stipend support to industrial establishments. Training consists of Basic Training and On-the-Job Training / Practical Training at workplace in the industry.

Craftsmen Training Scheme (CTS): This scheme is for providing long-term training through Industrial Training Institutes (ITIs) across the country. ITIs offer a range of vocational/skill training courses covering a large number of economic sectors with an objective to provide skilled workforce to the industry as well as self employment of youth.

(b) Funds under PMKVY and JSS schemes are released to implementing agencies for meeting the training cost as per prescribed norms. Funds are being released under JSS scheme to Non-Governmental Organizations (NGOs) directly. Under NAPS, stipend support up to Rs 1500/- per month is released to beneficiaries through DBT. Day to day administration as well as financial control in respect of ITIs lies with the respective State Government/ UT Administration. Details of funds released for the State of Kerala under schemes of MSDE are as under:

Scheme	Fund Released (Rs. Crore)
PMKVY (Since 2015-16 to 31.12.2024)	117.01
NAPS (since 2018-19 to 31.12.2024)	35.73
JSS (since 2018-19 to 28.02.2025)	27.84

(c) Impact of schemes for skill development are assessed through their third party independent evaluation. MSDE's flagship scheme PMKVY was evaluated by NITI Aayog in October 2020. As per the study, about 94 percent of the employers surveyed reported they would hire more candidates trained under PMKVY. Further, 52 percent of the candidates who were placed in full time/part time employment and oriented under the RPL component received higher salary or felt that they will get higher salary compared to their un-certified peers in India including the State of Kerala.

As regards other schemes of MSDE, third party evaluation reports have mentioned about success in terms of placement or livelihood improvement of candidates trained under different schemes in India including the State of Kerala. The brief details of same are as given below:

JSS: Evaluation study of JSS scheme conducted in 2020 has found that the scheme has helped in almost doubling the household income for those beneficiaries who got employment or were self-employed after the JSS training. The report has further observed that usefulness of the scheme would be further evident from the fact that 77.05% of the beneficiary trainees have undergone occupational shifts.

NAPS: Third-party evaluation study of NAPS conducted in 2021 has observed that the scheme has successfully enhanced the employability of youth by providing structured on-the-job training, with a notable increase in the engagement of apprentices across various industries. In the new version of the scheme, DBT method has been adopted to transfer government's share directly to apprentices' bank accounts, as streamlined reimbursement process was recommended in the report.

ITIs: The final report of Tracer Study of ITI Graduates published in 2018 by MSDE mentions that 63.5% of total ITI pass-outs got employed (out of which 6.7% are self-employed).
