

GOVERNMENT OF INDIA
MINISTRY OF ELECTRONICS AND INFORMATION TECHNOLOGY
RAJYA SABHA
UNSTARRED QUESTION. NO. 2461
TO BE ANSWERED ON: 21.03.2025

**PRODUCTION STATUS OF SEMICONDUCTOR
MANUFACTURING PLANTS IN ASSAM**

2461. SHRI BIRENDRA PRASAD BAISHYA:

Will the Minister of ELECTRONICS AND INFORMATION TECHNOLOGY be pleased to state:

- (a) the updated details regarding the production for the semiconductor manufacturing plants which has already started;
- (b) whether the establishment of semiconductor manufacturing plant would help youth in getting jobs; and
- (c) the number of plants established in Assam till now and the number of plants planned to be established in the State?

ANSWER

MINISTER OF STATE FOR ELECTRONICS AND INFORMATION TECHNOLOGY
(SHRI JITIN PRASADA)

(a) and (b): Government has approved Semicon India programme with a total outlay of Rs 76,000 crore for the development of semiconductor and display manufacturing ecosystem in the country. Under Semicon India Programme, Government has approved five (5) semiconductor manufacturing projects with cumulative investment of around Rs. 1,52,000 crore. These projects are expected to generate more than 26,000 direct jobs depending on the maturity of factory automation. Moreover, Semiconductors are a foundational industry, which has significant potential for job creation in other sectors as well.

(c): Government has approved Tata Electronics Private Limited (TEPL)'s proposal for setting up of Outsourced Semiconductor Assembly and Test (OSAT) facility in Morigaon, Assam, with an investment of Rs. 27,120 crores and a production capacity of 48 million Units per day.
