- (c) total premium paid by Government and beneficiaries to insurance companies for this, separately year-wise and State-wise; and
- (d) the amount of premium retained by the insurance companies after payment of the claims to the beneficiaries, year-wise and State-wise?

**ANSWER
THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY
WELFARE
(SHRI PRATAPRAO JADHAV)**

(a) and (b): Ayushman Bharat – Pradhan Mantri Jan Arogya Yojana (AB-PMJAY) provides health cover of Rs. 5 lakh per family per year for secondary and tertiary care hospitalization to approximately 55 crore beneficiaries corresponding to 12.37 crore families constituting economically vulnerable bottom 40% of India's population. Recently, the scheme has been expanded to cover 6 crore senior citizens of age 70 years and above belonging to 4.5 crore families irrespective of their socio-economic status under AB-PMJAY with Vay Vandana card.

As on 01.01.2025, a total of 8.59 crore hospital admissions worth Rs.1.19 lakh crore have been authorized under the scheme. State/UT-wise and year-wise details of count and amount for hospital admissions under AB-PMJAY are at **Annexure-I** and **Annexure-II** respectively.

(c) and (d): Under the operational framework of AB-PMJAY, Central share of funds is released to the implementing States and Union Territories on the basis of premium discovered or actual claims amount (depending upon the mode of scheme implementation in the State/UT)

corresponding to eligible AB-PMJAY families in such States/UTs, subject to annual per-family ceiling of Rs. 1052. The Central share of funds is released by the Government of India to the States/UTs as per funding pattern prescribed by the Ministry of Finance.

States/UTs either pay the premium to the insurance company and/or reimburse the claim amounts raised by the empanelled hospitals depending on the mode of implementation adopted viz. insurance, trust or mixed, after adding their share of funds. Currently, 25 States/UTs are implementing the scheme in trust mode, 7 States/UTs in insurance mode and 2 States in hybrid mode. Further, States/UTs have the option to migrate from one mode of implementation to another mode of implementation based on their requirements.

Further, after allocating the premium for administrative costs and settling all claims, any remaining surplus is to be refunded by the Insurer to the SHA in its entirety, subject to the refund clause mentioned in the respective MoUs or agreements between SHAs and Insurance Companies. State/UT-wise and year-wise details of release of Central share of funds to the States/UTs for implementation of AB-PMJAY under different modes since the inception of the scheme are at **Annexure-III**.
