

GOVERNMENT OF INDIA
MINISTRY OF LAW AND JUSTICE
DEPARTMENT OF JUSTICE

RAJYA SABHA
UNSTARRED QUESTION NO. 3142

ANSWERED ON 27.03.2025

ALL INDIA JUDICIAL SERVICES

3142. SHRI RAJEEV SHUKLA:

Will the Minister of *Law and Justice* be pleased to state:

- (a) whether Government plans to come up with an All India Judicial Services under Article 312 of the Constitution;
- (b) if so, the details thereof;
- (c) if not, the reasons therefor; and
- (d) the proposed measures to be taken in this respect to streamline the functioning of the judiciary in the country and early disposal of cases?

ANSWER

MINISTER OF STATE (INDEPENDENT CHARGE) OF THE MINISTRY OF LAW AND JUSTICE; AND MINISTER OF STATE IN THE MINISTRY OF PARLIAMENTARY AFFAIRS

(SHRI ARJUN RAM MEGHWAL)

(a) to (c): Article 312 of the Constitution provides for the establishment of an All India Judicial Service (AIJS), which shall not include any post inferior to that of a District Judge.

A comprehensive proposal was formulated for the constitution of an All India Judicial Service (AIJS) and the same was approved by the Committee of Secretaries in November, 2012. The proposal was included as an agenda item in the Conference of Chief Ministers and Chief Justices of the High Courts held in April, 2013 and it was decided that the issue needs further deliberation and consideration. The views of the State Governments and High Courts were sought on the proposal. There was divergence of opinion among the State Governments and among the High Courts on the constitution of an All India Judicial Service.

The matter regarding creation of a Judicial Service Commission to help the recruitment to the post of district judges and review of selection process of judges/ judicial officers at all levels was also included in the agenda for the Chief Justices' Conference, which was held on 03rd and 04th April, 2015, wherein it was resolved to leave it open to the respective High Courts to evolve appropriate methods within the existing system to fill up the vacancies for appointment of District judges expeditiously. The proposal for constitution of All India Judicial Service with views from the High Courts and State Governments received thereon was also included in the agenda for the Joint Conference of Chief Ministers and Chief Justices of High Courts held on 05th April, 2015. However, no progress was made in the matter.

The proposal of setting up of an All India Judicial Service was again discussed on points of eligibility, age, selection criteria, qualification, reservations etc. in a meeting chaired by then Minister of Law and Justice on 16th January 2017 in the presence of Minister of State for Law and Justice, Attorney General for India, Solicitor General of India, Secretaries of Department of Justice, Department of Legal Affairs and Legislative Department. Setting up AIJS was also deliberated in a meeting of the Parliamentary Consultative Committee in March, 2017 and the Parliamentary Committee on the Welfare of SCs/STs on 22.02.2021.

It was proposed to include the issue of All India Judicial Service in the agenda for Joint Conference of Chief Ministers and Chief Justices of High Courts held on 30th April, 2022. However, the same could not be included in the agenda of the conference. In view of the existing divergence of opinion amongst the major stakeholders, at present, there is no consensus on the proposal for setting up an All India Judicial Service.

(d) Disposal of cases falls under the purview of the judiciary; however, the Government is committed to creating an environment that facilitates faster case resolution, in accordance with Article 21 of the Constitution of India. The Government has taken several initiatives to provide an ecosystem for faster disposal of cases by the judiciary, as under:

(i) The National Mission for Justice Delivery and Legal Reforms was set up in August, 2011 with the twin objectives of increasing access by reducing delays and arrears in the system and enhancing accountability through structural changes and by setting performance standards and capacities. The Mission has been pursuing a coordinated approach for phased liquidation of arrears and pendency in judicial administration, which, inter-alia, involves better infrastructure for courts including computerization, increase in sanctioned strength of District and Subordinate Courts, policy and

legislative measures in the areas prone to excessive litigation and re-engineering of court procedure for quick disposal of cases and emphasis on human resource development.

(ii) Under the Centrally Sponsored Scheme for development of Judicial Infrastructure, funds are being released to States/UTs for construction of court halls, residential quarters for judicial officers, lawyers' halls, toilet complexes and digital computer rooms that ease the life of various stakeholders including the litigants, thereby aiding justice delivery. As on date, Rs. 11886.29 crores have been released since the inception of the Centrally Sponsored Scheme (CSS) for Development of Infrastructure Facilities for the Judiciary in 1993-94. The number of court halls has increased from 15,818 as on 30.06.2014 to 22,062 as on 28.02.2025 and the number of residential units has increased from 10,211 as on 30.06.2014 to 19,775 as on 28.02.2025, under this scheme.

(iii) Further under Phase I & II of the e-Courts Mission Mode Project, Information and Communication Technology (ICT) had been leveraged for IT enablement of District and Subordinate Courts. 18,735 District and Subordinate Courts were computerized till 2023. WAN connectivity has been provided to 99.5% of court complexes. Video conferencing facility has been enabled between 3,240 court complexes and 1,272 corresponding jails. As on 31.01.2025, 1572 eSewa Kendras in District Courts and 39 eSewa Kendras in High Courts have been made functional to bridge the digital divide by providing citizen centric services to lawyers and litigants. 28 virtual courts have been set up in 21 States/UTs. As on 31.01.2025, these courts have handled more than 6.66 crore cases and realized more than Rs. 714.99 crores in fines. Phase-III of the eCourts Project has been approved in 2023 with an outlay at an outlay of Rs.7,210 crore. Taking the gains of Phase-I and Phase-II to the next level, the e-Courts Phase-III aims to usher in a regime of enhanced ease of justice by moving towards digital, online and paperless courts. It intends to incorporate latest technology such as Artificial Intelligence (AI), Block Chain, etc. to make justice delivery progressively more robust, easy and accessible to all the stakeholders.

(iv) The Government has been regularly filling up vacancies of Judges in the Supreme Court of India and the High Courts. From 01.05.2014 to 06.03.2025, 66 Judges were appointed in the Supreme Court. 1024 new Judges were appointed in the High Courts and 788 Additional Judges were made permanent in the High Courts during the same period. The sanctioned strength of Judges of the High Courts has been increased from 906 in May, 2014 to 1122 till now. The sanctioned and working strength of judicial officers in District and Subordinate Courts has increased as under:

As on	Sanctioned Strength	Working Strength
31.12.2013	19,518	15,115
28.02.2025	25,786	20,511

Source: MIS Portal of the Department of Justice

However, filling up of vacancies in District and Subordinate judiciary falls within the domain of the State/UT Governments and High Courts concerned.

(v) In pursuance of a Resolution passed in Chief Justices' Conference held in April, 2015, Arrears Committees have been set up in all 25 High Courts to clear cases pending for more than five years. Arrears Committees have been set up under District Courts as well.

(vi) Under the aegis of the Fourteenth Finance Commission, the Fast Track Courts have been established for dealing with cases of heinous crimes, cases involving senior citizens, women, children, etc. As on 31.01.2025, 860 Fast Track Courts are functional across the country. To fast-track criminal cases involving elected MPs / MLAs, ten (10) Special Courts are functional in nine (9) States/UTs. Further, the Central Government has approved a Scheme for setting up Fast Track Special Courts (FTSCs) across the country for the expeditious disposal of pending cases of Rape and under the POCSO Act. As on 31.01.2025, 745 FTSCs including 404 exclusive POCSO (ePOCSO) Courts are functional in 30 States/UTs across the country which have disposed of more than 3,06,000 cases.

(vii) With a view to reduce pendency and unclogging of the courts, the Government has amended various laws like The Negotiable Instruments (Amendment) Act, 2018, The Commercial Courts (Amendment) Act, 2018, The Specific Relief (Amendment) Act, 2018, The Arbitration and Conciliation (Amendment) Act, 2019 and The Criminal Laws (Amendment) Act, 2018.

(viii) Alternate Dispute Resolution methods have been promoted whole heartedly. Accordingly, The Commercial Courts Act, 2015 was amended in August, 2018 making Pre-institution Mediation and Settlement (PIMS) mandatory in case of commercial disputes. In order to further enhance the efficiency of the PIMS mechanism, the Government, through The Mediation Act, 2023, has further amended the Commercial Court Act, 2015. The Arbitration and Conciliation Act, 1996 has been amended by The Arbitration and Conciliation (Amendment) Act 2015, 2019 & 2021 for expediting the resolution of disputes by prescribing timelines. Under The Commercial Courts Act, 2015, there is a provision for case management hearing which provides for an efficient, effective and purposeful judicial management of a case so as to achieve a timely and qualitative resolution of a dispute. It assists in early identification of disputed issues of fact and law, establishment of procedural calendar for the life of the case and the exploration of possibilities of the resolution of the dispute. Another novel feature introduced for the commercial courts is the system of color banding which limits the number of adjournments that can be granted in any commercial matter to three and alerts the judges about listing of the cases in accordance with their stage of pendency.

(ix) Lok Adalat is an important Alternative Disputes Resolution Mechanism available to common people. It is a forum where the disputes/ cases pending in the court of law or at pre-litigation stage are settled/ compromised amicably. Under The Legal Services Authorities (LSA) Act, 1987, an award made by a Lok Adalat is deemed to be a decree of a civil court and is final and binding on all parties and no appeal lies against thereto before any court. National Lok Adalats are organized simultaneously in all Taluks, Districts and High Courts on a pre-fixed date.

(x) The Government launched the Tele-Law programme in 2017, which provides an effective and reliable e-interface platform connecting the needy and disadvantaged sections seeking legal advice and consultation with panel lawyers via video conferencing, telephone and chat facilities available at the Common Service Centres (CSCs) situated in Gram Panchayats and through Tele-Law mobile App.

(xi) Efforts have been made to institutionalize pro bono culture and pro bono lawyering in the country. A technological framework has been put in place where advocates volunteering to give their time and services for pro bono work can register as Pro Bono Advocates on Nyaya Bandhu (Android & iOS and Apps). Nyaya Bandhu Services are also available on UMANG Platform. Pro Bono Panel of advocates has been initiated in 23 High Courts at the State/UT level. Pro Bono Clubs have been started in 109 Laws Schools to instill Pro Bono culture in budding lawyers.
