ANSWER

THE MINISTER OF STATE FOR NEW & RENEWABLE ENERGY AND POWER

(SHRI SHRIPAD YESSO NAIK)

(a) & (b) Under PM Surya Ghar: Muft Bijli Yojana (PMSG: MBY), as on 19.03.2025, a total of 47.85 lakh applications have been received on the National Portal of the scheme and 10.42 lakh households have been reported benefitted by installation of rooftop solar plants. Further, an amount of around Rs. 5077 crore has also been disbursed as Central Financial Assistance (CFA) under the scheme. State/UT-wise detail is given at **Annexure**.

Under PMSG: MBY, the entire process from application to CFA disbursement is online through the National Portal. With all credentials entered correctly on the National Portal, the average time taken in processing the CFA is around 15 days after redemption request made by the consumer.

(c) The PMSG: MBY has substantial impact on the reduction of electricity bill of the residential consumers and promoting adoption of renewable energy among the public. The estimates in this regard suggest that around 45% of residential consumers are receiving zero electricity bill on installation of rooftop solar plant under the scheme. In a period of around one year since launch of the scheme more than 10 lakh households reported benefitted as compared to only 7.94 lakh rooftop solar installations in the residential sector achieved under the previous schemes of the Ministry during last 10 years prior to launch of the PMSG: MBY.
