

GOVERNMENT OF INDIA
MINISTRY OF COOPERATION

RAJYA SABHA
UNSTARRED QUESTION NO. 3529
TO BE ANSWERED ON 2nd APRIL, 2025

PACS/Dairy/Fisheries Cooperative Societies in every Panchayat/Village

3529. Dr. K. Laxman:

Will the Minister of COOPERATION be pleased to state:

- (a) the manner in which Government's initiative to establish new multi-purpose PACSs, dairy, and fisheries cooperative societies has strengthened rural economies across all panchayats and villages;
- (b) the manner in which convergence of various Government schemes with the support of NABARD, NDDDB and NFDB is ensuring the effective implementation of this plan; and
- (c) whether it is a fact that the registration of 10,825 new cooperative societies has contributed to enhance the cooperative sector's reach and impact across States-wise/UTs-wise?

ANSWER

THE MINISTER OF COOPERATION
(SHRI AMIT SHAH)

(a) to (c): The Government has approved the Plan to establish 2 lakh new multi-purpose PACS (M-PACS), Dairy & Fishery Cooperative Societies to cover all the Panchayats/ Villages across the country through convergence of various existing schemes of Government of India (GoI), including Dairy Infrastructure Development Fund (DIDF), National Programme for Dairy Development (NPDD), PM Matsya Sampada Yojana (PMMSY), etc, with the support of National Bank for Agricultural and Rural Development (NABARD), National Dairy Development Board (NDDDB), National Fisheries Development Board (NFDB) and State/ UT Governments. The convergence of GoI schemes under this Plan enables newly formed Dairy & Fishery Cooperative Societies to set up and modernize necessary infrastructure for diversifying their activities, like, milk testing laboratories, bulk milk coolers, milk processing units, construction of biofloc ponds, fish kiosks, development of hatcheries, acquiring deep sea fishing vessels, etc.

Further, in order to diversify the business activities of PACS, the Government has circulated Model Bye-laws for PACS to all the States/ UTs, which enable them to undertake more than 25 economic activities, including dairy, fishery, floriculture, setting up godowns, processing, marketing of agricultural produce, custom hiring centers, Common Service Centers (CSCs), Fair Price Shops (FPS), community irrigation, etc. The registration of new PACS as multipurpose PACS enables them as well as their farmer members to diversify their business

activities, expand their access to markets & credit and generate additional sources of revenue for themselves.

As on 27.1.2025, 12,957 new M-PACS, Dairy and Fishery Cooperative Societies have been registered across States/ UTs, with 17,10,224 farmer members associated with them, the details of which are enclosed at **Annexure**.

The formation of these newly formed cooperative societies enables their farmer members to get requisite forward and backward linkages to market their produce, expand the size of their markets, enhance their incomes, obtain credit facilities, and other services at the village level itself, thus contributing towards strengthening the rural economy.

Annexure**State/ UT- wise details of newly registered Cooperative Societies**

Sr. No.	State/UT	Total no. of newly registered M-PACS, DCS and FCS	No. of associated farmer members
1.	Andaman & Nicobar Islands	9	104
