ANSWER

THE MINISTER OF ROAD TRANSPORT AND HIGHWAYS

(SHRI NITIN JAIRAM GADKARI)

(a) to (c) As of February 2025, a total length of 1,156 km out of 1,386 km of the Delhi-Mumbai Expressway has been completed across States. Out of this, 756 km has been operationalised. Initially, there were delays in the project due to slow progress by the contractors, force majeure issues, land acquisition issues. The Government is taking all relevant steps to ensure the timely completion of the remaining length.

The final cost of the project can only be ascertained post completion of the balance length.
