MINISTER OF STATE IN THE MINISTRY OF WOMEN AND CHILD DEVELOPMENT  
(SHRIMATI SAVITRI THAKUR)

- (a) The ministry's expenditure as a proportion of the total expenditure by the central government during last five years:

(Rs. in Crore)

Sl. No.	Year	Expenditure in respect of MoWCD	Total expenditure of the Central Government	Expenditure of MoWCD as a proportion of Central Government expenditure (%age)
1	2019-20	22679.83	2686330	0.84
2	2020-21	18744.04	3509836	0.53
3	2021-22	21283.56	3793801	0.56
4	2022-23	23512.07	4193157	0.56
5	2023-24	25018.46	4443447	0.56

(b) The details of allocation of funds to the Ministry, its utilization during last five years, scheme wise, year wise are mentioned in **Annexure-A & B**

(c)&(d). For better implementation and efficient monitoring, all schemes of the Ministry have been clubbed into three umbrella missions, viz. (1) Saksham Anganwadi & Poshan 2.0 for improving nutrition and health indicators in the country (2) Mission Shakti, for safety, protection and empowerment of women; and (3) Mission Vatsalya, for protection, care and welfare of vulnerable children.

All the schemes implemented by the Ministry are Centrally Sponsored Schemes (CSS) and are implemented by the States/Union Territories (UTs) through their functionaries. The budget allocation for these schemes is finalised based on inputs received from the States/UTs regarding their requirements and the trend of expenditure over the previous years. Further, under CSS, States/UTs are required to contribute their corresponding share of funds, incur a minimum of 75% expenditure of total available funds and submit the Statement of Expenditure (SoE) and Utilization Certificates to enable the Ministry to release the central share of funds. Wherever the above conditions are not met, release of the central share gets affected/delayed resulting in unspent balance at the end of the financial year.

Nevertheless, the functioning and implementation of the schemes, including utilization of funds, is reviewed periodically through both meetings and video conferences with States/UTs and field visits. The Central Government has been persistent in its efforts to ensure optimum utilisation of funds towards the aforementioned cause.
