ANSWER

THE MINISTER OF STATE FOR AGRICULTURE AND FARMERS WELFARE

(SHRI RAMNATH THAKUR)

(a) to (e): The PM-KISAN scheme is a central sector scheme launched in February 2019 by the Hon'ble Prime Minister to supplement the financial needs of cultivable land-holding farmers. Under the scheme, a financial benefit of Rs 6,000/- per year is transferred in three equal instalments, into the Aadhaar seeded bank accounts of farmers through Direct Benefit Transfer (DBT) mode.

A farmer-centric digital infrastructure has ensured the benefits of the scheme reach all the farmers across the country without involvement of any intermediaries. Maintaining absolute transparency in registering and verifying beneficiaries, the Government of India has disbursed over Rs 3.68 lakh Cr. through 19 installments since inception.

Benefits of the scheme are transferred to the beneficiaries through Direct Benefit Transfer (DBT) mode, based on the verified data received from the States/UTs on the PM-KISAN portal. The scheme initially started on a trust-based system, where beneficiaries were registered by the states on self-certification basis. Initially, Aadhaar seeding was also relaxed for some of the States. Later on, to

address this, several technological interventions were introduced, including integration with PFMS, UIDAI, and the Income Tax Department. Further, land seeding was made mandatory along with Aadhaar based payment and e-KYC. The benefits of the farmers, who did not complete these mandatory criteria, were stopped. As and when these farmers complete their mandatory requirements and meet the eligibility criteria, they receive the benefits of the scheme along with their due installments, if any.

In this process, the total numbers of beneficiaries benefited in the scheme in the 12th Instalment period were decreased across the States. This decrease was nominal in the State who proactively undertook suitable measures and completed the above said mandatory requirements.

The Government of India often undertakes saturation drives in coordination with the State Governments to ensure that no eligible farmers are left out from the Scheme. A major nationwide saturation drive was undertaken from 15th November 2023 under the Viksit Bharat Sankalp Yatra (VBSY), during which, more than 1.0 Cr. farmers were included under PM-KISAN. Further, under the new Government's 100 days initiative, around 25 lakh more eligible farmers were added under the PM-KISAN scheme. Additionally, a special drive was conducted from September 2024 to clear the pending self-registration cases. Since the beginning of the drive, over 30 lakh pending self-registration cases have been approved by the States/UTs so far. As a result of these campaigns, more than 9.88 crore farmers received the benefits of 19th instalment of the PM-KISAN scheme.
