ANSWER

THE MINISTER OF STATE FOR AGRICULTURE AND FARMERS WELFARE
(SHRI RAMNATH THAKUR)

(a) to (d): The PM-KISAN scheme is a central sector scheme launched in February 2019 by the Hon'ble Prime Minister to supplement the financial needs of cultivable land-holding farmers. Under the scheme, a financial benefit of Rs 6,000/- per year is transferred in three equal instalments, into the Aadhaar seeded bank accounts of farmers through Direct Benefit Transfer (DBT) mode.

A farmer-centric digital infrastructure has ensured the benefits of the scheme reach all the farmers across the country without involvement of any intermediaries. Maintaining absolute transparency in registering and verifying beneficiaries, the Government of India has disbursed over Rs 3.68 lakh Cr. through 19 installments since inception. The State-wise and instalment-wise details of

number of farmers benefited and the amount of funds transferred to them in the last three years is at annexure.

In order to ensure that no eligible farmers are left out from the Scheme, the Government of India often undertakes saturation drives in coordination with the State Governments. A major nationwide saturation drive was undertaken from 15th November 2023 under the Viksit Bharat Sankalp Yatra (VBSY), during which, more than 1.0 Cr. farmers were included under PM-KISAN. Further, under the new Government's 100 days initiative, around 25 lakh more eligible farmers were added under the PM-KISAN scheme. Additionally, a special drive was conducted from September 2024 to clear the pending self-registration cases. Since the beginning of the drive, over 30 lakh pending self-registration cases have been approved by the States/UTs so far. As a result of these campaigns, more than 9.88 crore farmers received the benefits of 19th instalment of the PM-KISAN scheme.

(e): At present, there is no proposal under consideration.
