ANSWER
MINISTER OF STATE IN THE MINISTRY OF RURAL DEVELOPMENT
(DR. CHANDRA SEKHAR PEMMASANI)

(a): The details of State wise funds released and funds utilized under PMAY-G since FY 2020-21 to FY 2024-25 is given at **Annexure - I**.

(b): The details of district-wise houses sanctioned and houses completed under PMAY-G in the state of Assam since FY 2020-21 to FY 2024-25 is given at **Annexure - II**.

(c): The identification of beneficiaries under PMAY-G is based on the housing deprivation parameters and exclusion criteria prescribed under Socio Economic Caste Census (SECC) 2011. These criteria are applied on SECC 2011 database and a system generated priority list of households from the database was deliberated upon in Gram Sabha meetings. After due verification by the Gram Sabhas and completion of Appellate Process, Gram panchayat-wise Permanent Wait List (PWL) is prepared. Thereafter, Awaas+ survey was conducted during January 2018 to March 2019 to identify those beneficiaries who, though are eligible for inclusion in PWL, but claimed to be left out from the SECC 2011. In this exercise, the States/UTs uploaded details of additional households, which were also subjected to Gram Sabha verification and Appellate Process.

Further, it is also informed that the Union Cabinet has approved the extension of PMAY-G for 5 more years (FY 2024-25 to 2028-29) to provide assistance for the construction of 2 crore additional rural houses. In accordance with the approval of the Union Cabinet, a new survey is also being conducted for identification of additional eligible households by the States/ UTs including the State of Assam using eKYC face based authentication through the Awaas+ 2024

mobile app and with modified exclusion parameters. The timeline for completion of this survey has been extended till 30th April 2025. The modified exclusion parameters being used in the new Awaas + 2024 survey are as under;

Step 1: Exclusion of pucca houses- All households living in houses with pucca roof and/or pucca wall and households living in houses with more than 2 rooms are filtered out.

Step 2: Automatic Exclusion– From the remaining set of households, all households fulfilling any one of the 10 parameters listed below are automatically excluded:-

1. Motorised three/four-wheeler
2. Mechanised three/ four-wheeler agricultural equipment
3. Kisan Credit Card with credit limit of ₹50,000 or above
4. Household with any member as a Government employee
5. Households with non-agricultural enterprises registered with the Government
6. Any member of the family earning more than ₹15,000 per month
7. Paying income tax
8. Paying professional tax
9. Own 2.5 acres or more of irrigated land
10. Own 5 acres or more of unirrigated land

(d): The SECC based PWL of the State of Assam has been saturated by allocation of targets. Further, from Awaas+ 2018 list, out of the total eligible beneficiaries of 14,84,150, a target of 11,06,734 has already been allocated to the State. 3,77,416 eligible beneficiaries are remaining in Awaas+ 2018 survey list for the State of Assam as on date.
