ANSWER

MINISTER OF STATE IN THE MINISTRY OF RURAL DEVELOPMENT
(SHRI KAMLESH PASWAN)

(a): The Ministry of Rural Development (MoRD), in collaboration with lead banks, has established 607 Rural Self Employment Training Institutes (RSETIs) across 593 districts, sponsored by 25 banks. There are 78 RSETIs operational in the State of Uttar Pradesh, covering all 75 districts and offering skill-based training to rural poor and unemployed youth.

(b) & (c): RSETIs offer 64 National Council for Vocational Education and Training (NCVET) and MoRD- approved training programs designed to empower Below Poverty Line (BPL) youth, focusing on skill development for self-employment. The details of training courses are given in **Annexure-I**. The Government ensures that RSETIs align their training with local needs by allowing candidates to choose programs based on their interests. These courses are designed to suit regional demands and match individual aspirations.

(d): The effectiveness of the RSETI training program is monitored through Formative, Mid Term, and End Term Assessments of trainees. RSETIs are graded annually based on infrastructure, training quality, and settlement rates. As a result, the settlement rate for RSETI-trained candidates is more than the benchmark of 70%. This grading ensures that training quality and infrastructure are continuously evaluated and improved.

(e): The RSETIs compliant with the Common Norms Notification (CNN) prescribed by MSDE are reimbursed as per CNN rates. RSETIs promote their activities through print, social, and electronic media, and conduct Entrepreneurship Awareness Programs. Regular RSETI Bazaars showcase products from successful entrepreneurs, and their success stories are shared with MoRD.

Annexure referred to in reply to part (b) of Rajya Sabha Unstarred Question No. 3985 due for reply on 04.04.2025.
