COMPENSATION TO FARMERS OF DROUGHT AFFECTED STATES

513. SHRI HARBHAJAN SINGH:

Will the Minister of AGRICULTURE AND FARMERS WELFARE be pleased to state:

- (a) the details of crop compensation released to the farmers of drought affected States of the country including Punjab during each of the last five years and the current year under various programmes, State-wise/UT-wise and crop-wise;
- (b) the number of farmers benefited and the amount of compensation released by Government, State/UT-wise; and
- (c) the details of pending cases of compensation with Government, particularly relating to Punjab and the action taken to settle the pending cases?

ANSWER

THE MINISTER OF STATE FOR AGRICULTURE AND FARMERS WELFARE

(SHRI RAMNATH THAKUR)

(a) to (c) : The State Government is primarily responsible for providing necessary relief measures in the wake of natural calamities. For undertaking relief measures, funds are available with the State Government in the form of the State Disaster Response Fund (SDRF). Additional financial assistance, over and above SDRF, is considered from the National Disaster Response Fund (NDRF) for natural calamities of severe nature, as per the established procedures. The financial assistance provided under SDRF and NDRF is by way of relief and not for compensation.

Details of financial assistance approved to the States from NDRF for drought from 2019-20 to 2024-25, are at Annexure I.

Under Mission for Integrated Development of Horticulture (MIDH), a Centrally Sponsored Scheme, there is no specific provision for compensation to farmers their damage due to natural calamities. However, special packages are provided under MIDH to tackle

unforeseen situations as per demand received from the States. Details of funds released under special packages to the States/UTs since inception of Scheme i.e. 2014-15 is as under:

S.No.	Name of State/UT	Funds released (GoI share)
1.	Jammu & Kashmir	341.07 crore
2.	Ladakh	28.82 crore
3.	Kerala	56.03 crore
4.	Tamil Nadu	142.00 crore

Government has introduced yield based Pradhan Mantri Fasal Bima Yojana (PMFBY) and weather index based Restructured Weather Based Crop Insurance Scheme (RWBCIS) from Kharif 2016 to provide financial support to farmers suffering crop loss/damage arising out of natural calamities, adverse weather incidence and to stabilize the income of farmers etc. Comprehensive risk insurance is provided under the scheme from pre-sowing to post-harvest losses. The Pradhan Mantri Fasal Bima Yojana (PMFBY) is voluntary for the States as well as for farmers. The State of Punjab has not implemented the Scheme so far.

State/UT-wise no. of farmer applications enrolled and claims paid to farmers from 2019-20 till 2023-24 under PMFBY & RWBCIS is given in Annexure-II and Annexure-III, respectively.
