- (b) the number of beneficiaries registered under RBSK till date and the detail of services being provided thereunder; and
- (c) the details of future initiatives being taken by the ministry to ensure complete implementation and increase coverage of RBSK across the country particularly in the State of Haryana?

**ANSWER**

**THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY  
WELFARE**

**(SMT. ANUPRIYA PATEL)**

- a) The Ministry of Health and Family Welfare (MoHFW) provides technical and financial support for Rashtriya Bal Swasthaya Karyakram (RBSK) under the National Health Mission (NHM) based on the Annual Program Implementation Plan (APIP). The support is given for infrastructure, essential equipment, human resources including capacity building and treatment at secondary and tertiary care hospitals. The screening services for children are provided through 11821 dedicated Mobile Health Teams (MHTs) at the block level and 430 District Early Intervention Centre (DEICs) to provide comprehensive management to children. State/UT wise MHTs and DEICs details for FY 2023-24 are placed at Annexure.
- b) As reported by States/UTs, 160.84 crore children have been screened through Mobile Health Teams (MHTs), 11.90 crore children have been identified with selected health conditions and 5.64 crore children have been provided secondary/tertiary care from FY 2014-15 till FY 2023-24 under RBSK.

- c) For effective implementation and increased coverage of RBSK across India, including Haryana, the program is regularly monitored through review of quarterly reports, field visits, periodic meetings with State Nodal Officers, and Common Review Missions (CRM). The Ministry of Health and Family Welfare (MoHFW) also supports the States/UTs through technical and financial guidance based on Annual Programme Implementation Plans (APIP) submitted by State/UTs.
