**ANSWER**

MINISTER OF PORTS, SHIPPING AND WATERWAYS  
(SHRI SARBANANDA SONOWAL)

- (a) to (e) A Statement is laid on the Table of the House.

**STATEMENT REFERRED TO IN REPLY TO PART (a) TO (e) OF RAJYA SABHA  
STARRED QUESTION NO. \*105 ANSWERED ON 29.07.2025 RAISED BY SHRI  
MAYANKKUMAR NAYAK REGARDING “MAJOR MARITIME PROJECTS”**

(a) The Environmental Clearance has been obtained and 3D Notification for Land acquisition with respect to Road and Rail Connectivity has been received.

(b) The development of the Vizhinjam Project is expected to bring back a significant portion of the Indian cargo transshipment currently conducted at foreign ports. Once fully developed the transshipment business is set to generate significant consumer surplus by savings on shipping and navigation costs. By attracting mainline vessels and establishing itself as a competitive transshipment hub, Vizhinjam International Port is certain to minimize India's dependence on foreign ports and strengthen national port competitiveness.

(c) Yes. The Ministry is continuously taking several measures such as investing in port infrastructure, conducting stakeholder consultations and awareness campaigns and providing a range of incentives to increase trade and traffic.

(d) and (e) The target completion date for phase 1A of the project “Development of National Maritime Heritage Complex (NMHC) at Lothal, Gujarat” is September, 2025.
