

**GOVERNMENT OF INDIA  
MINISTRY OF AYUSH**

**RAJYA SABHA  
STARRED QUESTION No. 169  
TO BE ANSWERED ON 05.08.2025**

**Institutional integration of Ayush in healthcare**

**169 # Shri Mayankkumar Nayak:**

Will the Minister of *Ayush* be pleased to state:

- (a) the steps taken so far to promote integration of Ayush within the national public health system;
- (b) the details of integrative medicine departments established in Central Government hospitals;
- (c) the number of health centres where Ayush services have been co-located under the national health programmes; and
- (d) the details of the specific amount allocated for institutional Ayush integration?

**ANSWER**

**THE MINISTER OF STATE (IC) OF THE MINISTRY OF AYUSH  
(SHRI PRATAPRAO JADHAV)**

- (a) to (d) A Statement is laid on the Table of the House.

## **The Statement referred in reply to Rajya Sabha Starred Question No. 169 for 05.08.2025**

(a) to (c) Government of India has adopted a strategy of Co-location of Ayush facilities at Primary Health Centres (PHCs), Community Health Centres (CHCs) and District Hospitals (DHs), thus enabling choice to the patients for different systems of medicines under single window. The engagement of Ayush Doctors/paramedics and their training is supported by the Ministry of Health & Family Welfare under National Health Mission (NHM), while the support for Ayush infrastructure, equipment /furniture and medicines is provided by Ministry of Ayush under National Ayush Mission (NAM) as shared responsibilities. Ayush services have been co-located at 13,152 health facilities (476 DHs, 3002 CHCs, 216 Other than CHCs at or above block level but below district level, 6349 PHCs and 3109 Other health facilities above Sub Centre but below block level) as on 31st December 2024 since the inception of NHM. Ayurveda graduates with certificate course in Community Health are working as Community Health Officer at Ayushman Arogya Mandir (AAM), leading the primary healthcare team at Sub-health centre AAM to deliver comprehensive primary healthcare services closer to the homes of people. Additionally, the Ayurveda practitioners are providing services under Rashtriya Bal Swasthya Karyakram (RBSK) screening children for early detection of major health issues. Besides, as per the States' policy, Ayush graduates are also employed under various other national health programs.

The Ministry of Ayush and Ministry of Health & Family Welfare have jointly established Integrated Ayush Departments in Central Government Hospitals to promote integrative healthcare. As part of this initiative, the Department of Integrative Medicine has been set up and is operational at Vardhman Mahavir Medical College & Safdarjung Hospital and Lady Hardinge Medical College, New Delhi. Further, details of initiatives taken by the Research councils and National Institutes under the Ministry of Ayush for integration of Ayush with modern medical system are given as **Annexure**.

Furthermore, five Centres have been set up in collaboration with ICMR at 4 AIIMS viz., AIIMS Delhi (Gastro-intestinal Disorders and Women and Child Health), AIIMS Jodhpur (Geriatric Health), AIIMS Nagpur (Cancer Care), AIIMS Rishikesh (Geriatric Health) to conduct high-quality integrative research and clinical trials in priority health areas. Ayush services are being provided at AIIMS to facilitate integrative healthcare delivery.

In addition, National Institute of Mental Health and Neuro Sciences (NIMHANS), Bengaluru has developed a model of integrative healthcare combining modern and traditional systems through clinical care, research, and education for mental health care.

(d) Under NAM, as per proposals received from State/UT Governments through State Annual Action Plans (SAAPs), an amount of Rs. 535.08 Crore has been allocated/sanctioned from 2014-15 to 2024-25 for infrastructure development, supply of essential Ayush medicines and contingency etc at co-located Ayush facilities at PHCs, CHCs & DHs of different States/UTs.
