

**GOVERNMENT OF INDIA
MINISTRY OF HEALTH AND FAMILY WELFARE
DEPARTMENT OF HEALTH AND FAMILY WELFARE**

**RAJYA SABHA
STARRED QUESTION NO. 96
TO BE ANSWERED ON 29TH JULY, 2025**

CANCER CENTRES IN THE COUNTRY

96. SHRI S. SELVAGANABATHY:

Will the **Minister of HEALTH AND FAMILY WELFARE** be pleased to state:

- (a) whether Government is planning to set up around 50-100 Cancer Centres in the next two years across the country;
- (b) if so, the details thereof;
- (c) whether such Centres will be in addition to the 31 functioning and those upgraded since 2015-2016; and
- (d) if so, the details thereof, indicating the number of such Centres to be set up in Puducherry?

**ANSWER
MINISTER OF HEALTH AND FAMILY WELFARE
(SHRI JAGAT PRAKASH NADDA)**

(a) to (d): A statement is laid on the Table of the House

**STATEMENT REFERRED TO IN REPLY TO RAJYA SABHA STARRED
QUESTION NO.96 FOR 29.07.2025**

(a) to (d): As per the announcement of Union Budget 2025-26, the government plans to set up Day Care Cancer Centres (DCCCs) in district hospitals in the next 3 years, out of which 200 centres are to be set up in Financial Year 2025-26.

The Ministry of Health & Family Welfare conducted a national gap analysis using Indian Council of Medical Research (ICMR) cancer registry data and planned for establishment of Day Care Cancer Centres (DCCCs) in consultation with States, as per announcement in the Union Budget 2025-26. High-burden districts were prioritized, and proposals were submitted by the States and Union Territories and finalized by National Programme Coordination Committee (NPCC) to optimize resources and avoid duplication. For Financial Year 2025-26, more than 200 DCCCs have been approved for establishment across the country, which includes 03 DCCCs in Puducherry.

The DCCCs will be established in District hospitals as per availability of space and logistics; however, based on the feasibility and as per State proposals DCCCs can be established in other Government health facilities also.

The Government of India is implementing the Strengthening of Tertiary Cancer Care Centres Facilities scheme. Under this initiative, financial assistance is provided as a one-time grant of up to ₹120 crore for State Cancer Institutes (SCIs) and up to ₹45 crore for Tertiary Cancer Care Centres (TCCCs), including the State share. As of now, 19 SCIs and 20 TCCCs have been approved across the country. The details are annexed. These institutions serve as critical hubs for advanced cancer care, diagnosis, research, and capacity building and are equipped with specialized infrastructure and expert manpower. TCCCs and SCIs play a pivotal role in delivering high-quality care and strengthening the public health infrastructure.

S. No.	Name of State	Name of Institute	(TCCC/SCI)
1	Andhra Pradesh	Kurnool Medical College, Kurnool	SCI
2	Assam	Gauhati Medical College & Hospital, Guwahati	SCI
