ANSWER

MINISTER OF STATE FOR MICRO, SMALL AND MEDIUM ENTERPRISES
(SUSHRI SHOBHA KARANDLAJE)

(a) and (b): PMEGP being a Central sector scheme, no State wise allocation of budget is done. Funds are utilized based on the demand generated and loans sanctioned by the financial institutions. Fund utilisation under the Prime Minister's Employment Generation Programme (PMEGP) for the State of Andhra Pradesh during the last three financial years i.e FY 2022-23 to FY 2024-25 along with the district-wise details of Margin Money subsidies disbursed, number of micro-enterprises set up, sectoral composition and employment generation is given at **Annexure I**.

(c): Under PMEGP, steps taken to modernize existing entrepreneurial units across the country, including Andhra Pradesh are: -

- i. Existing PMEGP/REGP/MUDRA enterprises are provided with 2nd loan tranche for upgradation and expansion based on past good performances. Under 2nd loan tranche, all categories of beneficiaries are assisted with Margin Money (MM) subsidy of 20% of project cost in North Eastern Region and Hill States and 15% in other areas.
- ii. Maximum project cost admissible for MM subsidy under manufacturing sector is Rs. 1.00 crore and Rs. 25.00 lakh for service sector.
- iii. COVID years i.e., FY2020-21 and FY2021-22 have been excluded while considering profitability of existing PMEGP/REGP/MUDRA units applying for 2nd loan tranche.

(d): The measures taken by Government to support enhanced participation of women entrepreneurs and beneficiaries belonging to OBC, SC, ST and Minority communities in India including Andhra Pradesh under PMEGP include the following:

- i) Under PMEGP, women and beneficiaries belonging to SC/ST/OBC and minority are included in the Special category of PMEGP and eligible for higher rate of subsidy and lower rate of own contribution. Beneficiaries under Special category are provided with higher subsidy of 25% and 35% of the project cost in urban and rural areas respectively as compared to 15% and 25% of the project cost for General Category beneficiaries. Contribution of beneficiaries under Special Category is 05% as compared to 10% for General Category beneficiaries..
- ii) Conducting awareness programmes in all the States/UTs including backward and under-performing areas, Aspirational districts, North Eastern Region, etc. with focus on special category including women, SC/ST, OBC and minority beneficiaries.

District-wise PMEGP performance of women, SC, ST, OBC and Minority beneficiaries in the State of Andhra Pradesh in terms of no. of units assisted, Margin Money (MM) subsidy disbursed and estimated employment generated during FY 2022-23 to FY 2024-25 is given at **Annexure II**.
