**ANSWER**

THE MINISTER OF MINORITY AFFAIRS

(SHRI KIREN RIJU)

(a) In accordance with Section 3(ka) of the Unified Waqf Management, Efficiency, Empowerment and Development Act, 1995, the Ministry of Minority Affairs has developed and launched the UMEED Central Portal-2025 on 06.06.2025. The Portal operates on a three-tier user architecture Maker, Checker, and Approver to ensure real-time, verified data entry and maintain data integrity by preventing uploading of irrelevant or incorrect details of existing auqaf. A detailed user manual outlining the manner for uploading details of existing auqaf has been prepared, shared with all State/UT Waqf Boards, and uploaded on the Portal. Details of State/UT Waqf Boards who have commenced data entry on the UMEED Central Portal-2025 is at **Annexure-I**.

(b)&(c) Ministry has provided extensive training and capacity-building support to ensure effective use of the UMEED Central Portal-2025. Prior to its launch, two consultative meetings were held on 28.02.2025 & 08.05.2025 with representatives of State/UT Waqf Boards to demonstrate the prototype of developing portal and incorporate their feedback. A two-day national-level workshop-cum-training program was organised on 26<sup>th</sup> –27<sup>th</sup> May 2025, where 141 Master Trainers from across various States/UTs Waqf Boards were trained, and who will in turn train the Mutawallis and District level Officers in uploading of relevant details of auqaf on the

Portal. Video conferences were also conducted on 02.05.2025, 25.06.2025, 03.07.2025 with State/UT Governments and Waqf Boards for facilitating its smooth implementation. Officers and staff of the Ministry have also been undertaking field visits to provide on-site support, resolve issues, and guide Boards in operating the UMEED Central Portal.

(d) & (e) Feedback and suggestions were received during the training sessions from State/UT Waqf Boards, based on their local needs and requirements. Suggestions that align with the provisions of the Unified Waqf Management, Empowerment, Efficiency and Development Act, 1995 have been incorporated into the Portal as the portal is a statutory portal. After the launch of the Portal, a dedicated helpline has been set up to address grievances raised by the Boards. About 100 Grievances have been received as on 17.07.2025 and their resolutions have also been uploaded on the Portal to help other Boards to understand and handle the portal functioning effectively.
