- (b) if so, the details thereof;
- (c) whether Government has any redevelopment plan in consultation with local authorities; and
- (d) if so, the current status of such plans?

A N S W E R

MINISTER OF STATE
IN THE MINISTRY OF DEFENCE

(SHRI SANJAY SETH)

(a) & (b) Pune Cantonment Board is providing adequate civic infrastructure to the residents of the Cantonment and no major issues are being faced or reported by the residents of the Pune Cantonment area till date. The facilities provided by Cantonment Board are regularly maintained and upgraded as per requirements. Further, residents are being provided quick and quality services online at their door step through e-chhawani portal in a time bound manner.

(c) & (d) A city development plan has been prepared by Cantonment Board Pune covering various aspects of municipal administration including adequate water supply, sanitation, urban mobility, sustainable environment, e-governance, health & education. Five projects have been proposed by the Board to the State Government for taking up under AMRUT 2.0 schemes.
