GOVERNMENT OF INDIA MINISTRY OF COMMUNICATIONS DEPARTMENT OF TELECOMMUNICATIONS

RAJYA SABHA UNSTARRED QUESTION NO. 2104 ANSWERED ON 7TH AUGUST, 2025

FINANCIAL FRAUD RISK INDICATOR

2104 SHRI NARAYANA KORAGAPPA:

SMT. KIRAN CHOUDHRY: SHRI KESRIDEVSINH JHALA: SHRI BABURAM NISHAD: SHRI LAHAR SINGH SIROYA: SHRI RAMESWAR TELI:

Will the Minister of Communications be pleased to state:

- (a) the classification method adopted under the Financial Fraud Risk Indicator (FRI) for risk detection;
- (b) the number of UPI platforms, that have begun integrating FRI alerts into their systems;
- (c) the number of financial fraud cases that have been prevented due to the integration of FRI with UPI platforms to date; and
- (d) the Ministry's budget allocation for developing the Digital Intelligence Platform and FRI?

ANSWER

MINISTER OF STATE FOR COMMUNICATIONS AND RURAL DEVELOPMENT (DR. PEMMASANI CHANDRA SEKHAR)

(a) to (c) Department of Telecommunications (DoT) has developed Financial Fraud Risk Indicator (FRI) which is a risk-based metric that classifies a mobile number to have been associated with Medium, High, or Very High risk of financial fraud. FRI empowers stakeholders-especially banks, Non-Banking Financial Companies (NBFCs) and Unified Payment Interface (UPI) service providers to prioritize enforcement and take additional customer protection measures in case a mobile number has high risk. FRI is available through Digital Intelligence Platform (DIP) to the stakeholders.

RBI has issued separate advisories to banks & Payment Service Operators (PSO) for integration of FRI with their respective systems and adopt necessary real-time response protocols (like alerts, transaction delays, warnings, transaction decline etc.). Based on the Action Taken Reports (ATRs) submitted on DIP, 34 banks, financial institutions and UPI service providers have frozen 10.02 lakh bank accounts/ payment wallets and placed debit/ credit restrictions on 3.05 lakh bank accounts/ payment wallets.

(d) Digital Intelligence Unit (DIU) project of DoT has various constituents for curbing misuse of telecom resources for cybercrime and financial frauds. DIU project of DoT is having total outlay of Rs 228.16 crore for a period of 5 years. DIP and FRI are developed under DIU project.
