IMPLEMENTATION OF PKVY IN HARYANA

2261. SMT. REKHA SHARMA:

Will the Minister of AGRICULTURE & FARMERS WELFARE be pleased to state:

- (a) the State-wise details of activities undertaken under Paramparagat Krishi Vikas Yojana (PKVY) during 2023–24 and 2024–25, including the number of clusters formed, area covered and farmers enrolled;
- (b) whether any new targets have been set for Haryana under PKVY in 2025–26, particularly regarding training, certification and market linkage of organic produce; and
- (c) if so, the allocation of funds for the same, State-wise?

ANSWER

MINISTER OF STATE FOR AGRICULTURE AND FARMERS WELFARE

(SHRI RAMNATH THAKUR)

(a): Organic farming is being promoted through Paramparagat Krishi Vikas Yojana (PKVY) in all the States/UTs (except North Eastern States) including Haryana since 2015-16. The scheme stresses on end-to-end support to farmers engaged in organic farming i.e. from production to processing, certification and marketing. Primary focus of the schemes is to form organic clusters, with preference to small and marginal farmers, to create a supply chain. Under PKVY, assistance of Rs. 31,500 per ha in 3 years is provided for promotion of organic farming. Out of this, assistance of Rs. 15,000 per ha is provided to farmers through Direct Benefit Transfer for on- farm /off – farm organic inputs including organic compost. Financial assistance of Rs. 4,500/ha in 3 years is provided for marketing, packaging, branding, value addition etc. Rs. 3,000/ha for 3 years is provided for certification and residue analysis. Assistance is also provided @Rs. 9,000/ha in 3 years for training, awareness and capacity building.

The number of clusters formed, area covered and farmers benefitted under PKVY scheme since 2015-16 as on date 30.06.2025 are given in Annexure –I

(b) & (c): As reported by State of Haryana, no new cluster has been taken up by the state during 2025-26 under PKVY scheme. However, the state is implementing National Programme for Organic Production (NPOP) which is an organic certification scheme implemented through Agricultural and Processed Food Products Export Development Authority (APEDA) under Ministry of Commerce & Industries. The total area of 2,399.99 ha has been covered under NPOP certification till 2024-25.

Annexure-I
