- (c) the details of the cost, progress and number of beneficiaries of these projects?

ANSWER

THE MINISTER OF MINORITY AFFAIRS

(SHRI KIREN RIJU)

(a) to (c) Pradhan Mantri Jan Vikas Karyakram (PMJVK) is a Centrally Sponsored Scheme and one of the flagship programmes of the Ministry of Minority Affairs. The scheme aims at the creation of community infrastructure in Minority Concentration Areas (MCAs) across the country to address development deficits in sectors such as Health, Skill Development, Women Centric Projects, Education, Drinking Water & Supply, Sanitation and Sports. The objective of PMJVK includes improving the socio-economic conditions of the notified minority communities in the identified areas by providing better infrastructure and basic amenities.

The Scheme is now applicable in all districts across the country and the States and Union Territories (UTs) can submit their infrastructure project proposals for areas where the minority population is more than 25% within a 15 km radius. The details of projects approved for the State of Jharkhand is at **Annexure I**.

The PMJVK scheme is a community infrastructure development scheme and thus the infrastructure developed is for the benefits of the whole population of the respective minority concentration areas.
