(a): Ayushman Bharat - Pradhan Mantri Jan Arogya Yojana (AB-PMJAY) is a flagship scheme of the Government of India that provides health coverage of ₹5 lakh per eligible family per year for secondary and tertiary care hospitalizations.

In January 2022, Government of India revised the beneficiary base of the scheme from 10.74 crore to 12 crore families, covering the bottom 40% of India's population. Further, in March 2024, the eligibility criteria were expanded to include 37 lakh Accredited Social Health Activists (ASHAs), Anganwadi Workers (AWWs), Anganwadi Helpers (AWHs), and their families. Recently, the scheme has been further extended to cover 6 crore senior citizens aged 70 years and above, representing 4.5 crore families, through Vay Vandana Card, irrespective of their socio-economic status.

(b): As on date, more than 41 crore Ayushman cards have been created under the scheme. State/UT-wise details of number of Ayushman cards created are at **Annexure-I**.

(c): As on date, more than 9.84 crore hospital admissions worth over Rs. 1.40 lakh crore have been authorized under the scheme. State/UT-wise details of hospital admissions are at **Annexure-II**.
