

GOVERNMENT OF INDIA
MINISTRY OF ROAD TRANSPORT AND HIGHWAYS

RAJYA SABHA
UNSTARRED QUESTION NO-432
ANSWERED ON- 23/07/2025

INDEPENDENT AUTHORITY TO OVERSEE TOLL FEE COLLECTION

432. SHRI P. WILSON:

Will the Minister of ROAD TRANSPORT AND HIGHWAYS be pleased to state:

- (a) whether Government has considered appointing an independent regulatory authority to oversee toll collection and road maintenance, in view of concerns regarding the failure of the current toll model, including poor road maintenance, lack of transparency in toll fixation and mechanical increase in toll fee, and violation of the principle of quid pro quo;
- (b) the total amount of investment made in each toll plaza stretch and the total toll revenue realised from each toll plaza stretch; and
- (c) the details of pending road projects in the State of Tamil Nadu, including the budget allocated, current status, reasons for delay, completion timeline?

ANSWER

THE MINISTER OF ROAD TRANSPORT AND HIGHWAYS

(SHRI NITIN JAIRAM GADKARI)

(a) The extant fee rule (National Highways Fee (Determination of Rates and Collection) Rules, 2008) for levy of Fee for services or benefits rendered on National Highways, was formulated in the year 2008, ensuring more transparency and certainty in the determination of user fee rates, with a uniform methodology for calculating user fees across the country. As such, the user fee is collected at a fee plaza for the use of any completed section of National Highway as per the fee notification published in the Gazette of India in accordance with the provisions of National Highways Fee Rules. Further, changes in User Fee Rates on every Financial Year are circulated in News Papers and in public domain for wide publicity and to prevent discrepancies (if any). Moreover, for reviewing the fee collection records and ensuring collection of fees as per provision of NH Fee Rule/ Concession Agreement, independent audits are conducted.

Maintenance of National Highways (NHs) is governed as per provisions of the respective individual Contract / Concession Agreements. Supervision Consultants/ Independent Engineers are appointed on project specific basis for day-to-day supervision of the works at site. Additionally, field officials also undertake inspections from time to time and ensure adherence of conformity of quality of the work as per stipulated requirements. Action is also taken against non-performers as per prevailing rules/circular like Debarment / Penalty imposition etc. Further the Government is also using NHAI One App, Drone Analytics, 3D NSV, AI Based Surveys, etc for

identification and notifying the defects on Highway to Contractor/ Concessionaire for timely necessary action.

(b) Collection of user fee at fee plazas on National Highways is not related to the recovery of project development cost. User fee is collected for the use of a completed section of National Highway, in accordance with the provisions of the NH Fee Rules. The details of stretch wise Capital Cost Investment is at Annexure A. Further, Fee plaza wise user fee revenue collected till June, 2025 are at Annexure B.

(c) The details of pending road projects in Tamil Nadu, including the budget allocated, current status, reasons for delay, completion timeline is at Annexure-C.

ANNEXURE A
