- (a) Yes, Sir. The Cabinet has approved National Scheme for Upgradation of Industrial Training Institutes (ITIs) and setting up National Centres of Excellence (NCOEs) for skilling, at an estimated cost of ₹60,000 crore (Central Share: ₹30,000 crore, State Share: ₹20,000 crore, and Industry Share: ₹10,000 crore). A National Steering Committee, comprising representatives from the Central Government, State Governments, and industry partners, has been set up to oversee implementation and provide policy guidance. The scheme also includes provisions for impact assessment and third-party evaluation to assess its effectiveness.

- (b) Yes, Sir. The scheme includes provision for training 50,000 trainers through pre-service and in-service programs to ensure they stay updated with the latest industry requirements and teaching practices.
