ANSWER

THE MINISTER OF YOUTH AFFAIRS AND SPORTS

(DR. MANSUKH MANDAVIYA)

- (a) In order to improve and develop the youth power, the Ministry pursues the twin objectives of personality-building and nation-building, i.e. developing the personality of youth and involving them in various nation-building activities under various schemes through its field organizations. The Ministry through MY Bharat Kendras engages youth in nation-building by organizing various programs and collaborative projects with other Ministries/Departments. These initiatives aim to empower youth and instill leadership qualities, community service spirit, and social responsibility among youth, especially in rural areas.

With a view to empower the youth and enable their active participation in national development, the Ministry through MY Bharat Kendras undertakes various categories of programmes namely Core Programmes, Special Programmes, Schemes of the Department of Youth Affairs, and Projects in collaboration with other Ministries. The details of such programmes conducted during the last two years is as follows:

Viksit Bharat Young Leaders Dialogue (VBYLD) -2025 brought together 30 lakh motivated youth nationwide; a total of around 2500 dynamic youth were selected to participate in the Viksit Bharat Young Leaders Dialogue 2025, through a merit-based, multi-stage process, representing India's most vibrant demographic of youth aged 15-29. The presentations emerging out of the dialogue were made before Hon'ble Prime Minister himself. The VBYLD-2025 emerged as a landmark event, fostering the next generation of leaders, innovators and thinkers who will drive India's growth. A total of around 2500 youth including selected participants of Viksit Bharat Track and Traditional Track, young innovators, volunteers, etc. became part of VBYLD 2025. Additionally, over 6 crore youth and others witnessed the event through various social media platforms.

The Viksit Bharat – Yuva Connect programme, launched on September 19, 2024, is aimed at fostering youth engagement and leadership in the developmental transformation of India by conducting the programmes in Educational Institutions. It is also aimed to guide the youth about their responsibility towards achieving the goal of Viksit Bharat.

Further, through the below mentioned programmes, emphasis is laid on values such as national identity, civic engagement, social cohesion, human capital development, critical thinking, and empowerment, so that students are better prepared to contribute positively to their societies.

(c) No, the activities of Nehru Yuva Kendra Sangathan (NYKS) and Rajiv Gandhi National Institute of Youth Development (RGNIYD) have not been hampered due to shortage of staff and coordinators. In the case of NYKS, necessary administrative measures have been taken to ensure uninterrupted functioning of Kendras by assigning officers from nearby Kendras additional charge of vacant Kendras to maintain continuity of operations. As regards RGNIYD, despite shortages in staff, the Institute has continued to perform its mandated functions and achieved its objectives without any disruption in its activities.

(d) The recruitment is a continuous process and as and when the vacancy arises, the action is taken to fill them up.
