ANSWER

THE MINISTER OF STATE FOR AGRICULTURE AND FARMERS WELFARE
(SHRI BHAGIRATH CHOUDHARY)

- (a): List attached at **Annexure-A**.
- (b): Yes, there are 114 newly created districts where there is no KVK.
- (c): List attached as **Annexure-B**.
- (d) & (e): The plan to streamline the administrative processes is through formulation of EFC document. The KVKs are provided with basic infrastructure facilities like, administrative building, farmers' hostel, demonstration units, equipment and farm machineries. Besides, the KVKs are equipped with advanced/cutting-edge technologies, particularly to focus on climate resilient agriculture. The experts of KVKs are trained on the climate resilient technologies developed by ICAR Institutes and agricultural Universities like, climate resilient varieties of different crops, technologies/farm machineries and equipment for natural resource management, climate-resilient agricultural practices, etc.

The Government is planning to strengthening KVKs in district level nodal centres for knowledge and capacity through convergence of district level Agricultural Development Programs.
