REGARDING DEVELOPMENT OF SPORTS INFRASTRUCTURE IN TELANGANA
ASKED BY SHRI ANIL KUMAR YADAV MANDADI.**

(a) to (c) 'Sports' being a State subject, the responsibility of development of sports, including providing financial assistance for development of sports infrastructure, rests primarily with the State/Union Territory Governments. The Union Government supplements their efforts by bridging critical gaps. However, the Khelo India Scheme and National Sports Development Fund (NSDF), implemented by this Ministry, under which financial assistance for development of sports infrastructure is provided are demand-driven schemes. Further, receiving of proposals under the schemes of this Ministry is an ongoing process. Details of proposals received from the State Government of Telangana since 2022 for development of sports infrastructure in the State under Khelo India Scheme, along with action taken by the Central Government on those proposals are at Annexure – I. The proposals received from the State/ UT Government and other eligible entities are considered for financial support, subject to their completeness, technical feasibility and availability of funds under the scheme. The details of the sports infrastructure projects approved and their sanctioned cost, funds released and their physical and financial progress, under Khelo India Scheme and NSDF, across the country, including in the State Government of Telangana, are available in public domain on the dashboards of the Ministry at <https://mdsd.kheloindia.gov.in> and <http://www.nsdf.yas.gov.in/nsdf-glance.html>.
