ANSWER

THE MINISTER OF MINORITY AFFAIRS

(SHRI KIREN RIJIJU)

(a) & (b) Pradhan Mantri Jan Vikas Karyakram" (PMJVK), a Centrally Sponsored Scheme, is one of the flagship program of the Ministry of Minority Affairs for creation of community infrastructure in the Minority Concentration Areas of the country in the sectors viz. Health, Skill Development, Education, Women Centric Projects, Drinking Water and Supply, Sanitation, Sports, Renewable energy, Tourism, Animal Husbandry and Other Community Infrastructure.

PMJVK is a demand driven scheme, hence the States/UTs-wise and district -wise allocation is not made under PMJVK. For effective implementation of PMJVK and to ensure optimum utilisation of funds, the States/ UTs have been given flexibility to use the funds released under PMJVK. As per the revised procedure of Department of Expenditure, Ministry of Finance, now the release of funds under PMJVK are not tied to the individual projects. The amount available in State Nodal Account (SNA) of PMJVK forms a common pool, which can be utilised by the States/UTs to complete the other ongoing projects in any districts. However, States/UT-wise details of fund released during the last three years under PMJVK is at **Annexure-I**.

(c) The projects are drafted/ formulated by the respective State Governments/ UT Administrations. The execution, operation, and maintenance of the project units approved under PMJVK is the sole responsibility of the concerned State Government or Union Territory (UT) Administration, as applicable. The Ministry regularly holds review meetings with State/ UT authorities, to assess both the physical and financial progress of PMJVK projects. Additionally, National Workshops have also been conducted to effective implementation and timely completion of projects under the scheme. The States/UTs are also directed to complete the projects and drop those projects which are not viable at this stage and utilize the funds to other ongoing projects sanctioned under PMJVK.
