**ANSWER**

THE MINISTER OF STATE FOR AGRICULTURE AND FARMERS WELFARE

(SHRI RAMNATH THAKUR)

(a) to (c): As per the National Policy on Disaster Management (NPDM), the State Government is primarily responsible for providing necessary relief measures on ground level in the wake of notified calamities. The State Governments undertake relief measures in the wake of natural calamities from funds available in the form of the State Disaster Response Fund (SDRF) in accordance with the Government of India approved items and norms. Additional financial assistance, over and above SDRF, is considered from the National Disaster Response Fund (NDRF), as per laid down procedure, in case of disaster of 'severe nature', which includes an assessment based on the visit of an Inter-Ministerial Central Team (IMCT).

As per information received from Ministry of Home Affairs (MHA), the details of the crop area affected by natural calamities in the State of Gujarat, Andhra Pradesh and Jharkhand during 01.04.2025 to 03.12.2025 is as under:

| S. No. | State          | Crop Area affected (in lakh ha.) |
|--------|----------------|----------------------------------|
| 1      | Andhra Pradesh | 1.506                            |
| 2      | Gujarat        | 0                                |
| 3      | Jharkhand      | 0.0017                           |
|        | <b>Total</b>   | <b>1.5077</b>                    |
