**ANSWER**

Minister of State in the Ministry of CIVIL AVIATION

(Shri Murlidhar Mohol)

(a) to (d): At present, there are 36 airports in the country, licensed by the Directorate General of Civil Aviation, that do not have night landing facilities for civil operations. The State-wise list of these airports is at Annexure. The upgradation of airport infrastructure to enable night landing, is a continuous process and is undertaken by Airports Authority of India (AAI) and other airport operators from time to time depending on the availability of land, commercial viability, socio- economic considerations, traffic demand / willingness of airlines to operate to/from such airports etc.
