**ANSWER**

THE MINISTER OF MINORITY AFFAIRS

(SHRI KIREN RIJJU)

(a): No such evaluation had been done as the schemes had been discontinued with cognizant reasons.

(b): Ministry is implementing Pradhan Mantri Jan Vikas Karyakran (PMJVK), a Centrally Sponsored Scheme, for creation of community infrastructure in the minority concentration areas of the country in the sectors viz. health, skill development, education (Smart Classes & Labs), women centric projects, drinking water and sanitation, sports, renewal energy, tourism, animal husbandry and other community infrastructure. For effective implementation of PMJVK and to ensure optimum utilization of funds, the States/UTs have been given flexibility to use the funds released under the scheme which are not tied to individual projects. Funds are released on a lump sum basis to State/UTs and States/UTs have the flexibility to utilize the funds as per their priorities.

(c): Revision of scheme guidelines and procedural changes under a scheme is a continuous process. No timeline in this regard is available.

(d): The scheme guidelines of Pradhan Mantri Virasat Ka Samvardhan (PMVIKAS) were approved in January 2025 due to which, allocation of targets commenced in 2025. Thus, no target allocation was done from 2023-24. However, the State-wise allocated targets and number of youth enrolled till date during 2025-26 is as annexed.

(e) and (f): Funds under Scholarship Schemes could not be spent as the scheme has not been approved for implementation beyond 2021-22.
