ANSWER

**THE MINISTER OF STATE IN THE MINISTRY OF HOUSING AND URBAN AFFAIRS
(SHRI TOKHAN SAHU)**

(a) All statutory towns/ Urban Local Bodies (ULBs) of the State of Karnataka are covered under Atal Mission for Rejuvenation and Urban Transformation (AMRUT) 2.0, out of which, the State has taken up projects in 256 ULBs. Under the Mission, the State is empowered to select, appraise, prioritise and implement the projects within broad framework of mission guidelines. Further, Central Assistance under AMRUT 2.0 is released to the States and not city/district-wise. The total central assistance allocated for the State of Karnataka is ₹ 4,628 crore. So far, 648 projects as submitted by the State with total project cost of ₹10,258.46 crore, have been approved by Ministry of Housing and Urban Affairs, which includes admissible central assistance of ₹4,603 crore. As reported by the State on AMRUT 2.0 portal, contracts have been awarded for 214 projects worth ₹8,559.59 crore out of which works worth ₹2,636.71 crore have been physically completed so far.

(b) & (c) The State has informed that 101 projects under AMRUT 2.0 are behind schedule based on the date of award of contract. The ULB-wise list of projects is given in Annexure. The State has informed that the projects are behind schedule due to delay in requisite permissions, site identification and clearance, heavy monsoon, land issues, slow progress by the agencies, etc. The State has also informed that various measures have been taken to expedite the delayed projects such as resolution of Right of Way (ROW) issues/ requisite permissions/ land issues, deployment of additional manpower and machinery by the contractors, etc. The State has also informed that regular review meetings are carried out with contractors and other stakeholders for early completion of works.
