Mitigation projects in Konkan region

2134. SHRI DHAIRYASHIL MOHAN PATIL:

Will the Minister of ENVIRONMENT, FOREST AND CLIMATE CHANGE be pleased to state:

- (a) the details of amount sanctioned and spent under National Coastal Mission and MISHTI scheme for mangrove conservation and coastal erosion control in Raigad, Ratnagiri and Sindhudurg, district-wise;
- (b) the current status of landslide hazard mapping and mitigation projects in Raigad after more than 700 landslide events were reported during 2021-2025, particularly with reference to the ₹3,200 crore special Konkan package announced by Government; and
- (c) the estimated timeline for completion of these mitigation projects?

ANSWER

MINISTER OF STATE IN THE MINISTRY OF ENVIRONMENT, FOREST AND CLIMATE CHANGE
(SHRI KIRTI VARDHAN SINGH)

(a): National Coastal Mission is a Central Sector Scheme. The scheme had the provision for providing financial support for mangrove conservation during 2021-2026. No proposal for seeking financial support under this scheme was received from State of Maharashtra.

The “Mangrove Initiative for Shoreline Habitats & Tangible Incomes (MISHTI), scheme is implemented through convergence with State Compensatory Afforestation Fund Management and Planning Authority (CAMPA), Mahatma Gandhi National Rural Employment Guarantee Scheme (MGNREGS), Externally aided Project(EAP) and other similar initiatives in the States/Union territories with the provision for gap funding from National CAMPA. The State of Maharashtra has not submitted any proposal seeking fund under MISHTI scheme.

(b) and (c): Landslide hazard mapping has been done as a part of the landslide management plan. 485 villages have been identified as highly susceptible to landslides out of which 48 villages are in Raigad district.

There are 15 approved landslide mitigation works which have been sanctioned in Raigad district with estimated cost of Rs. 94.76 Cr including under Konkan Project. The details including implementation status is as below:
