MINISTER OF RAILWAYS, INFORMATION & BROADCASTING AND

Indian Railways strives to provide affordable services to all strata of the society and gave subsidy of ₹60,466 crore on passenger tickets in 2023-24. This amounts to concession of 45% on an average, to every person, travelling on Railways. In other words, if the cost of providing service is ₹100, then the price of ticket is ₹55 only. This subsidy is continuing for all passengers. Further, concessions beyond this subsidy amount are continuing for many categories like 4 categories of Persons with disabilities (Divyangjans), 11 categories of patients and 8 categories of students.
