MINISTER OF RAILWAYS, INFORMATION & BROADCASTING AND  
ELECTRONICS & INFORMATION TECHNOLOGY  
(SHRI ASHWINI VAISHNAW)

(a) to (e): The need and extent of providing medical facilities at railway stations and in trains was examined by Hon'ble Supreme Court. In compliance of the orders, a committee of experts was constituted at All India Institute of Medical Sciences (AIIMS), New Delhi. As recommended by Committee of experts, instructions have been issued to provide a Medical Box containing life saving medicines, equipments, oxygen cylinder etc. at all Railway stations and passenger carrying trains.

Over the Counter (OTC) medicines and non-pharmacy items like dry/spray milk powder, etc, are available to passengers through Multi Purpose Stalls (MPS) at railway stations.

Further instruction has also been issued to establish Pradhan Mantari Bhartiya Janaushadhi Kendras (PMBJKs) in circulating areas and concourses of railway stations for enhancing wellness and welfare of passengers. At present 117 PMBJKs are operational all over Indian Railways. Reserve price for establishing PMBJKs is nil. Only security deposit is required for establishing the same.

The license to operate PMBJK is awarded through e-auction, and the price quoted by the highest bidder is charged as the license fee for operation of PMBJK.
