The scheme has been implemented in all the states, including the State of Jharkhand. As reported by State Implementing Agencies (SIAs), State/UT wise installation progress under PM KUSUM, as on 31.10.2025, is placed at **Annexure I**.

(b) The number of beneficiaries, including farmer producer organisations (FPOs) who have availed benefits under PM KUSUM, including the State of Jharkhand, is placed at **Annexure II**.

(c) As on 31.10.2025, a total of 9,466 MW has been installed under all components of PM KUSUM Scheme. The funds under PM KUSUM scheme are released based on the demand received, progress reported by the SIAs and as per provisions of the scheme guidelines. As per the demand received from the states, Rs. 7,089 crore has been released under PM KUSUM Scheme, till 31.10.2025.

(d) & (e)The Ministry has simplified the procedures and issued comprehensive revised guidelines on 17.01.2024 for ease of implementation of the scheme. The Scheme guidelines mandate that priority would be given to small and marginal farmers and farmers using micro irrigation techniques.

To increase the reach of PM KUSUM scheme, extensive outreach and capacity-building workshops are conducted by the Ministry from time to time. This also includes periodic review and handholding meetings with the implementing states.
