

GOVERNMENT OF INDIA
MINISTRY OF NEW AND RENEWABLE ENERGY
RAJYA SABHA
UNSTARRED QUESTION NO. 304
ANSWERED ON 02.12.2025

PM SURYA GHAR SCHEME

304. SHRI ASHOKRAO SHANKARRAO CHAVAN

Will the Minister of NEW AND RENEWABLE ENERGY be pleased to state:

- (a) the total number of solar panels installed on government buildings during each of last five years under various schemes, including recently launched PM Surya Ghar: Muft Bijli Yojana, State/UT-wise;
- (b) whether Government has set any target for installation of rooftop solar systems on government offices under the PM Surya Ghar scheme;
- (c) if so, the progress achieved so far; and
- (d) the steps being taken by Government to promote wider adoption of rooftop solar panels on public buildings to achieve the national renewable energy goals; and
- (e) whether Government has any proposal to increase the subsidy provided to households for installation of solar panel?

ANSWER

THE MINISTER OF STATE FOR NEW & RENEWABLE ENERGY AND POWER

(SHRI SHRIPAD YESSO NAIK)

(a) to (d) The Ministry of New and Renewable Energy had requested all States/UTs to issue necessary directions to all department and institutions of states/UTs for utilisation of vacant rooftops of their buildings for installation of solar panels. All Central Government Ministries/Departments have also been requested to issue necessary directions for installation of rooftop solar plants on all buildings owned by them.

Further, saturation of Government buildings by installation of rooftop solar is one of the components of the PM Surya Ghar Muft Bijli Yojana (PMSG: MBY). Detailed guidelines in this regard providing various implementation models and allocating Central Public Sector Enterprises (CPSEs) with experience in deployment of renewable energy technologies to assist Central Ministries & States/UTs in deploying rooftop solar on their buildings, have been issued.

However, no Central Financial Assistance (CFA) is available for government buildings as installation of rooftop solar plants is financially viable for them even without CFA.

An aggregate 1825.62 MW capacity rooftop solar has been installed on 91,574 government buildings of various Central Ministries/ Department and States/UTs as on 4.11.2025. The details of rooftop solar installed on government buildings of States/UTs are given in **Annexure**.

(e) Under the PMSG: MBY, the CFA for installation of rooftop solar (RTS) in the residential sector is as under:

- For individual households, the CFA is Rs. 30,000/- per kWp for the first 2 kWp and Rs. 18,000/- per kWp for the additional one kWp. The subsidy is capped at 3 kWp rooftop solar plant capacity for individual household.
- For Group Housing Societies/ Residential Welfare Associations (GHS/RWA) the CFA is Rs. 18,000/- per kWp with rooftop solar plant capacity limit of 500 kWp.
- In case of special category states/UTs including Uttarakhand, Himachal Pradesh, J&K, Ladakh, States in the North East Region, UTs of A&N and Lakshadweep, the CFA is 10% higher.

There is currently no proposal to further increase the CFA under the scheme.

Annexure

Annexure referred in reply of parts (a) to (d) of Rajya Sabha Unstarred question No. 304 to be answered on 02.12.2025 regarding PM Surya Ghar Scheme

**Details of rooftop solar installed on government buildings of States/UTs
(As on 04.11.2025)**

S. No	State/UT	Number of Buildings Solarized	Rooftop solar Capacity Installed (MW)
1	Andaman and Nicobar Islands	133	5.67
2	Andhra Pradesh	234	48.29
3	Assam	54	4.79
4	Bihar	12100	110.23
