ANSWER

**MINISTER OF STATE IN THE MINISTRY OF EDUCATION
(DR. SUKANTA MAJUMDAR)**

(a) to (d): 151 Malaviya Mission Teachers Training Centres (MMTTCs) have been identified throughout the country since re-launch of the Malaviya Mission Teachers Training Programme (MMTTP) on 05.09.2023. The scheme aims to train the faculty of higher education across the country where any faculty from India can participate in programs of scheme through established MMTTCs. The ministry has time to time advised state governments to direct their higher education institutions to leverage the capacity building programs under the scheme.

Under the scheme, the faculty of higher education is trained through various components like NEP Orientation and Sensitization; Short Term Program including Indian Knowledge System; Refresher Course; Faculty Induction Program; Nurturing Future Leadership Program; Academic Leadership Program; Capacity Building Program on Specific Learning Disabilities; Capacity Building Program on Design and Entrepreneurship; Capacity Building Program for Promoting Positive Mental Health, Resilience and Wellbeing in HEIs; Capacity Building Program on Science Communication; Administrative Staff Training; STEM, Capacity Building Program on Artificial Intelligence; Gurusetu;

Teacher Connect Program and Capacity Building Program on Cyber Security. The details of these components including outline, objective and expected outcomes are available in the Guidelines at <https://mmc.ugc.ac.in/Document/GUIDELINES%20September%202025.pdf>

Since the re-launch of the scheme, more than 3.22 lakh faculty of higher education institutions have benefitted through different components under the scheme. The number of faculty trained under the scheme is available on MMTP Portal at https://mmc.ugc.ac.in/Document/Notification/Latest_20251118165536.pdf
