- To provide adequate financial support and technology and trade support to various MSMEs, including leather and textile sector, a series of measures have been undertaken, which inter-alia include schemes such as Prime Minister's Employment Generation Programme for setting up of new micro enterprises in the non-farm sector by providing Margin Money subsidy on the Bank loan, Special Credit Linked Capital Subsidy Scheme with a provision of 25% subsidy to SC/ST MSEs on institutional finance for procurement of Plant & Machinery/ Equipment, Credit Guarantee Scheme for collateral free loans for Micro and Small Enterprises with a guarantee coverage of upto Rs. 10 crore, collateral free loans upto Rs 20 Lakh for Informal Micro Enterprises, PM Vishwakarma Yojana, Mudra Loan, etc.
- MSME Champions Scheme has been formulated with an end objective to modernize the processes, reduce wastages, sharpen business competitiveness of enterprises, and facilitate their National and Global reach and excellence. Further, the Ministry of MSME, in order to help the MSMEs to grow technologically and to enhance their competitiveness, has established Technology Centres (TCs) and Extension Centres (ECs) across the country. These TCs/ECs provide various services like technology support, skilling, incubation and consultancy to MSMEs and skill seeker.
