**(b): In respect of EPFO, sector-wise trends in new employment generation are at Annexure D.**

**Contd..2/-**

**In respect of ESIC, the sector-wise data in r/o the No. of employees registered year-wise is not available. However, names of the Sector witnessing highest increase in count of employers of FY 2024-25 as compared to 2023-24 are as under:**

**(c): The Code on Social Security 2020 has, for the first time, defined gig & platform workers and made provisions related to the same. A separate aggregator module has also been launched on e-Shram portal to facilitate registration of the platforms & platform workers engaged with them.**

**The Code provides for framing a suitable social security scheme for gig workers and platform workers on matters relating to life and disability cover, accident insurance, health and maternity benefits, old age protection, etc.**

**(d): Reskilling and Upskilling are important elements of Government's strategy to ensure that workers acquire necessary new skills. Individual competency based National Occupation Standards (NOS) have been developed allowing workers to upskill themselves through short duration courses. Under PMKVY, Recognition of Prior Learning (RPL) is an important component, which involves assessment and certification of prior learning (RPL) as well as offers opportunity for upskilling/ reskilling.**
