

GOVERNMENT OF INDIA  
MINISTRY OF JAL SHAKTI

DEPARTMENT OF WATER RESOURCES, RIVER DEVELOPMENT & GANGA REJUVENATION

**RAJYA SABHA**

**UNSTARRED QUESTION NO. 1051**

ANSWERED ON 09.02.2026

**PROJECTS UNDER FLOOD MANAGEMENT AND BORDER AREAS PROGRAMME**

1051 SHRI RAJINDER GUPTA:

Will the Minister of **Jal Shakti** be pleased to state:

- (a) the year-wise and State/UT-wise number of proposals received, approved and rejected under the Flood Management and Border Areas programme (FMBAP) during the last five years;
- (b) the current physical and financial status of projects approved under the Programme;
- (c) the State-wise details of flood-prone districts and international border river stretches identified under the programme;
- (d) the nature and extent of flood control, anti-erosion and border river management works undertaken in such areas, State-wise; and
- (e) the year-wise and State-wise details of funds allocated, released and utilised under the programme?

**ANSWER**

**THE MINISTER OF STATE FOR JAL SHAKTI**

(SHRI RAJ BHUSHAN CHOUDHARY)

**(a) to (e)** Flood management and anti-erosion schemes are formulated and implemented by concerned State Governments as per their priority. The Union Government supplements the efforts of the States by providing technical guidance and also promotional financial assistance for management of floods in critical areas. Union Government is implementing a centrally sponsored scheme "Flood Management and Border Areas Programme (FMBAP)" for providing central assistance to States for works related to flood control, anti-erosion, drainage development, anti-sea erosion, etc.

The State/UT-wise number of proposals received, approved and central assistance released under the Flood Management and Border Areas programme (FMBAP) during the last five years is given at **Annexure**.

As per report of Central Water Commission on "Assessment of Area Affected Due to Floods in India (2024)" based on satellite imageries data from 1986 to 2022, the total flood affected areas in India is assessed as 21.213 Mha and area protected through various steps taken for flood management by the Central/State Government is 20.538 Mha. State-wise/district-wise details of flood-affected areas in the country is available on website: <https://cwc.gov.in/sites/default/files/assessment-area-affected-due-floods-india.pdf>.

Maintenance of flood protection works of Kosi and Gandak projects in Nepal portion as well as flood protection/anti erosion works in the border areas with Bangladesh and Nepal in India portion is being funded under River Management Activities & Works related to Border Areas (RMBA) component of FMBAP.

The nature and extent of flood control, anti-erosion and border river management works undertaken under FMBAP is construction of embankment, sluices retaining/gabion walls, drainage channels, bank revetment/pitching along with launching apron, RCC porcupines, groynes/spurs etc.
