

**GOVERNMENT OF INDIA
MINISTRY OF HEALTH AND FAMILY WELFARE
DEPARTMENT OF HEALTH AND FAMILY WELFARE**

**RAJYA SABHA
UNSTARRED QUESTION NO. 1253
TO BE ANSWERED ON 10TH FEBRUARY, 2026**

BENEFICIARIES ENROLLED UNDER AB-PMJAY IN TAMIL NADU

1253. SHRI R. DHARMAR:

Will the Minister of **HEALTH AND FAMILY WELFARE** be pleased to state:

- (a) the total number of beneficiaries enrolled under the Ayushman Bharat Pradhan Mantri Jan Arogya Yojana (AB-PMJAY) in Tamil Nadu, including district-wise and rural-urban breakdown;
- (b) the total number of beneficiaries who have availed treatment under the scheme in Tamil Nadu, the types of treatments provided and the total expenditure incurred;
- (c) whether there have been any delays or difficulties in empanelment of hospitals or reimbursement to healthcare providers in Tamil Nadu, if so, the details thereof; and
- (d) the steps taken by Government to ensure that all eligible citizens in Tamil Nadu, especially in remote and underserved areas, have access to the scheme?

ANSWER

**THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND
FAMILY WELFARE
(SHRI PRATAPRAO JADHAV)**

(a) to (d): As on 31.12.2025, 85.51 lakh Ayushman cards have been created under Ayushman Bharat - Pradhan Mantri Jan Arogya Yojana (AB-PMJAY) in the State of Tamil Nadu. The district-wise details of Ayushman cards created in the State of Tamil Nadu can be accessed at: <https://dashboard.nha.gov.in/public/card>

As on 31.12.2025, 1.21 crore hospital admissions amounting to Rs. 9,541.76 crore have been authorized under AB-PMJAY in the State of Tamil Nadu. Further, as on 31.12.2025, 2,296 hospitals are empanelled under the scheme in the State of Tamil Nadu, that include 1,254 private hospitals. Further, hospital-specific call centre (14413) has been set-up to address the concerns of hospitals on a real-time basis including concerns related to empanelment.

Additionally, AB-PMJAY has a comprehensive media and outreach strategy to spread awareness and empower beneficiaries. This includes advertisement over traditional media platforms including newspapers, community radio, street plays, digital displays, radio campaigns, mass messaging, telecast of beneficiary testimonials, etc. In addition to this, State Health Agencies have also engaged a wide network of frontline workers in creating mass awareness at the grassroot level.
