ANSWER

THE MINISTER OF ROAD TRANSPORT AND HIGHWAYS

(SHRI NITIN JAIRAM GADKARI)

- (a) The details of user fee collected on National Highways and National Expressways through FASTag in country during the last five years, fee-plaza-wise and State-wise are at Annexure A and Annexure B respectively. Further, the collection of user fees, if any on State Highways and Expressways falls under the jurisdiction of the respective State Governments and is governed in accordance with the Toll Fee Rules of the concerned State Governments.
- (b) Presently, more than 98% of user fee on National Highways is collected through FASTag (Electronic Toll Collection).
- (c) The details of user fees collected at toll fee plazas on National Highways/Expressways during the last five years are as under:

Financial Year	Total user fee (in Crore Rupees)		
	Public Funded	Concessionaire	Total
2020-21	7,875.89	20,050.78	27,926.67

2021-22	11,283.94	22,644.72	33,928.66
2022-23	16,651.2	31,381.20	48,032.40
2023-24	25,103.31	30,778.81	55,882.12
2024-25	28,823.74	32,584.41	61,408.15

(d) & (e) The extant National Highways Fee (Determination of Rates and Collection) Rules, 2008 was formulated to ensure transparency, with a uniform methodology for calculating user fees across the country. The user fee collected by the Central Government is being deposited in Consolidated Fund of India (CFI) which is then allocated for the further development & augmentation of National Highways. Regular audit of user fee plazas are conducted by the Comptroller & Auditor General including user fee plazas operated by concessionaires.

All the FASTag transactions are processed in a secured ecosystem involving Toll Management System Software, Acquirer Bank at fee plaza, National Payment Corporation of India (NPCI) as Central Clearing House (CCH) and FASTag Issuer Bank. The transaction involves a transparent process wherein the deducted user fee (Toll) is informed to the highway users and recorded in a central repository. The Electronic Toll Collection (ETC) system is designed such that no FASTag transaction can take place without the participation of all three stakeholders i.e., Acquirer Bank at user fee plaza, NPCI and Issuer Bank.

In addition to above, to ensure operational integrity and transparency in user fee collection, NHAI vide Policy Circular dated 25.01.2024 has issued a Standard Operating Procedure for ensuring Operational Transparency in Tolling Operation. The SOP includes provisions of surprise checks at fee plazas and regular monitoring to ensure that all transactions at fee plazas (Cash/FASTag) are processed through the Toll Management System Software.
