- (d) whether it is a fact that Government has plans to increase agricultural income and make agriculture a profitable occupation in the country; and
- (e) if so, the details thereof?

**ANSWER**

THE MINISTER OF STATE FOR AGRICULTURE AND FARMERS WELFARE

(SHRI RAMNATH THAKUR)

(a) & (b): As per Situation Assessment Survey (SAS) of Agricultural Households conducted by Ministry of Statistics and Programme Implementation (MoSPI) during NSS 77th round (January, 2019 – December, 2019) in the rural areas of the country, the average monthly income per agricultural household in Assam from various sources is estimated at Rs. 10,675/. According to the SAS findings, the average monthly income per agricultural household in Assam has increased from Rs. 6,695 in the agricultural year 2012-13 to Rs. 10,675 in 2018-19, reflecting an increase of about 59.5 percent. Since the last survey on income of agricultural households was conducted in 2019, the extent of average monthly income per agricultural households for the last five years is not available.

(c) to (e): Agriculture being a State Subject, the State Government take appropriate measures for development of agriculture and welfare of farmers in the States. However, Government of India is committed to enhance farmers welfare and making agriculture more remunerative. The Government of India supplements the efforts of States through appropriate policy measures, reforms, developmental programs, budgetary support, price support through MSP and various schemes/programmes from time to time. To ensure farmers welfare and to increase their income across the country, several Central Sector and Centrally Sponsored Schemes are being implemented by Department of Agriculture & Farmers Welfare (DA&FW), as given in the **Annexure**.
